HOUSE RULE CLARIFICATION

At the March 3, 2011 Annual Homeowners' Meeting, the following parking clarification rule was unanimously adopted, therefore is an additional restriction pursuant to Article VI, "Motor Vehicles":

The number of vehicles, per unit, parked outside shall be limited to two(2) , and shall be parked directly in front of the respective unit's garage door, parked in a manner as to not obstruct man doors or neighboring garage doors.

"Guest" parking areas (east ends of access drives) are subject to closure in winter months due to snow storage.
