Section 10. LIMITATIONS.

(a) The Declarant or Affiliate of Declarant may not bind the Association to any management contract, employment contract, lease of facilities, licenses, or other contracts or leases unless the Association has the right of termination thereof, exercisable without penalty with not more than ninety (90) days' notice to the other party.

(b) Unless Declarant has previously terminated its Special Declarant Rights by recorded instrument or unless sooner terminated by the Act, any Special Declarant Right, except for Development Rights, may be exercised by the Declarant so long as: (1) the Declarant is obligated under any warranty or obligation, owns any Units, or has any Security Interest in any Units; or (2) for twenty (20) years after recording the original Declaration, as long as Declarant continues to be obligated under any warranty or obligation, own any Units, or continues to have any Security Interest in any Units.

Section 11. CONSTRUCTION OF MAILBOXES.

Declarant reserves the right and has an easement on any portion of the Common Interest Community to construct centralized mailbox facilities for the Units and any necessary appurtenances.

Section 12. GOVERNMENTAL INTERESTS.

So long as the Declarant owns any Property described on Exhibit A or added by amendment to the common interest community, the Declarant may designate sites within the Properties for fire, police, utility facilities, public schools and parks, and other public facilities. The sites may include Common Elements.

Section 13. CONFLICT.

If any provisions of this Article conflict with other provisions of this Declaration, this Article shall control.

VII
ALLOCATED INTERESTS

Section 1. TABLE OF ALLOCATED INTERESTS.

The Table of Interest, attached as Exhibit C, reflects Units and their Allocated Interests. These interests have been allocated in accordance with the formulas set out in this Article.

Section 2. ALLOCATION FORMULAS.

(a) VOTES. Each Unit in the Common Interest Community shall have one equal vote.

(b) UNDIVIDED INTERESTS. The percentage of liability for any Common Expenses and for the undivided interest in the Common Elements allocated to each Unit is an equal percentage interest derived by dividing the total number of Units in the Common Interest Community into one hundred percent (100%). The specified percentage is set forth in Exhibit C. When Units are added to or removed from the Common Interest Community, the above formula shall be used in reallocating interest and liabilities of Units and a revised Exhibit C shall be recorded in an amendment to the Declaration. Nothing in this subsection shall preclude apportionment of Common Expenses pursuant to Article VIII.

VIII
COMMON EXPENSE ASSESSMENT AND COLLECTION

Section 1. COMMON EXPENSE APPORTIONMENT.

Except as otherwise provided in Section VIII.2, any Common Expenses shall be assessed against all Units in accordance with their percentage interest in the Common Expenses. See Table of Interest, attached as Exhibit C.

Section 2. APPORTIONMENT OF COMMON EXPENSES TO LESS THAN ALL UNITS.

(a) Any Common Expenses associated with the maintenance, repair, or replacement of any Limited Common Element which serves exclusively one Unit shall be assessed against that Unit. If any Limited Common Element serves more than one Unit, but less than all Units, the Common Expenses attributable to that Limited Common Element shall be assessed equally among the Units it serves.

(b) Any Common Expenses for services provided by the Association for the benefit of an individual Unit at the request of the individual Unit Owner shall be assessed against said Unit.

(c) If an expense to the Association is caused by the misconduct of a Unit Owner, the Unit Owner's family members, guests, or invitees, the Association may assess that expense exclusively against the Unit.

(d) Any Common Expense insurance premium increase attributable to a particular Unit by virtue of activities in the Unit or by the Unit Owner, or by a Unit Owner's loss history, shall be assessed against that Unit.

(e) An assessment to pay a judgment against the Association may be made only against the Units in the Common Interest Community at the time the judgment was entered, in proportion to their percentage interests in the Common Expenses at the time judgment was entered.

(f) Any fees, charges, late charges, fines, collection costs, and interest charged against a Unit Owner pursuant to the Documents and the Act are enforceable as Common Expense assessments.

Section 3. LIEN.

(a) The Association shall have a lien on a Unit for any assessment levied against the Unit and/or for any fines, fees, charges, late charges, collection costs, and/or interest imposed against its Unit Owner from the time any such assessment or fines,

fees, charges, late charges, collection costs, and/or interest become due. The full amount of the assessment, fines, fees, charges, late charges, collection costs, and/or interest is a lien from the time the first installment thereof becomes due. Subject to subsection VIII.3.(h), liens under this Section are not affected by sale or transfer of a Unit.

(b) The recordation of this Declaration constitutes record notice and perfection of the lien. This Section does not require further recording of a claim of lien for assessment.

(c) The Association's lien must be foreclosed pursuant to AS 34.35.005 as it may be amended from time to time.

(d) A lien under this Section is prior to all other liens and encumbrances on a Unit except: (1) a first Security Interest on a Unit recorded before the date on which the assessments sought to be enforced became delinquent, unless such assessments, based on the periodic budget adopted by the Association pursuant to Section VIII.4, would have become due in the absence of acceleration during the six (6) months immediately preceding institution of an action to enforce either the Association's lien or a Security Interest described in this Section; (2) liens for real estate taxes and other governmental assessments or charges against the Unit; and (3) liens and encumbrances recorded before the recordation of the Declaration.

This subsection does not affect the priority of mechanic's or materialmen's liens, or the priority of a lien for other assessments made by the Association. A lien under this Section is not subject to the provisions of AS 09.38.010.

(e) Subject to subsection VIII.3.(f), a lien for an unpaid assessment is extinguished unless proceedings to enforce the lien are instituted within three (3) years after the full amount of the assessment becomes due.

(f) If an Owner of a Unit subject to a lien under this Section files a petition for relief under the United States Bankruptcy Code, the period of time for instituting proceedings to enforce the Association's lien shall be tolled until thirty (30) days after the automatic stay of proceedings under Section 362 of the Bankruptcy Code is lifted.

(g) This Section shall not be construed to prohibit an action to recover sums for which subsection VIII.3.(a) creates a lien or prohibit the Association from taking a deed in lieu of foreclosure.

(h) If a holder of a first or second Security Interest in a Unit forecloses that Security Interest, the purchaser at the

foreclosure sale is not liable for any unpaid assessments against that Unit which became due before the sale, other than the assessments which are prior to that Security Interest under subsection VIII.3.(d). Any unpaid assessments not satisfied from the proceeds of the foreclosure sale become Common Expenses collectible from all the Unit Owners, including said purchaser. "Purchaser," for purposes of this subsection, includes any Security Interest holder that obtains title through foreclosure.

(i) If the Association commences any action to foreclose a lien for unpaid assessments or to otherwise collect assessments, the court may appoint a receiver of the Unit Owner. The court may then order the receiver to: (1) collect all sums alleged to be due from the Unit Owner prior to or during the pendency of the action; (2) pay any sums held by the receiver to the Association during the pendency of the action to the extent of the Association's Common Expense assessments based on a periodic budget adopted by the Association; and (3) take any other actions consistent with this Declaration and the Act.

(j) A judgment or decree in any action brought under this Section shall include costs and reasonable attorney's fees for the prevailing party and is enforceable by execution under AS 09.35.010.

(k) If the Association forecloses on a Unit pursuant to this Section for unpaid assessments, the Association may hold, mortgage, lease, and convey such Unit.

(l) Any payments received by the Association in the discharge of a Unit Owner's obligation may be applied first to interest, late charges, collection costs, fines, and fees, and then to the oldest balance due from the Unit Owner for Common Expense assessments.

Section 4. ADOPTION AND RATIFICATION OF PROPOSED BUDGET.

Within thirty (30) days after adoption of a proposed budget for the Common Interest Community, the Executive Board shall mail or otherwise provide a summary of the proposed budget to each Unit Owner, and shall set a date for a meeting fourteen (14) to thirty (30) days from mailing or otherwise providing the summaries to the Unit Owners, for the Unit Owners to consider ratification of the budget. Unless a Majority of Unit Owners reject the proposed budget at that meeting, the budget is ratified. If the proposed budget is rejected, the periodic budget last ratified by the Unit Owners continues until the Unit Owners ratify a budget proposed by the Executive Board.

Section 5. NONBUDGETED COMMON EXPENSES.

If the Executive Board votes to levy a Common Expense assessment not included in the current budget and not attributable to fewer than all Units as described in Section VIII.2, the Common Expense assessment shall be submitted to the Unit Owners and ratified in accordance with Section VIII.4.

Section 6. CERTIFICATION OF UNPAID ASSESSMENTS.

Upon a Unit Owner's written request, the Association shall provide a statement in recordable form setting out the amount of unpaid assessments against the Unit. The Association must provide the statement within ten (10) business days after it receives the Unit Owner's request and is binding on the Association, the Executive Board, and each Unit Owner.

Section 7. COMMON EXPENSES TO BE PAID MONTHLY.

All Common Expenses assessed under this Section shall be due and payable monthly.

Section 8. ASSESSMENT RESERVE FUND.

Upon recordation of a deed to the first Unit Owner other than the Declarant of an interest in the Common Interest Community, the Unit Owner, and each subsequent Unit Owner in the Association, shall establish an assessment reserve fund with the Association. The assessment reserve fund shall equal the projected assessments to the Unit Owner for a two-month period. In addition, the Unit Owner shall pay to the Association the regular monthly assessment as provided herein, the purpose being to have available at all times for the Association an assessment reserve fund equal to two (2) months of assessments.

The assessment reserve fund shall be maintained at all times just as a reserve for taxes and insurance is so maintained, and in the event of a subsequent transfer of the Unit Owner's interest in the Common Interest Community, the subsequent Purchaser shall be responsible for establishing and maintaining this reserve fund. The reserve fund must be segregated from the Association's operating account.

Declarant may not use the assessment reserve fund to defray any of its expenses, reserve contributions, or construction costs or to make up any budget deficits while it is in control of the Association.

Section 9. ACCELERATION.

In the event of a Unit Owner's default for a period of ten (10) days or more on the payment of any Common Expense assessment levied against his or her Unit, the Executive Board shall have the right, after Notice and Hearing, to declare all unpaid assessments for the pertinent fiscal year for that Unit to be immediately due and payable.

Section 10. COMMENCEMENT OF ASSESSMENTS.

Common Expense assessments shall commence on the first day of the month in which the first Unit is conveyed to a Unit Owner other than the Declarant.

Section 11. NO EXEMPTION FROM COMMON EXPENSES.

Unit Owners may not exempt themselves from liability for payment of the Common Expenses by either waiver of the use or enjoyment of the Common Elements or by abandonment of their Units.

Section 12. PERSONAL LIABILITY FOR ASSESSMENTS.

A Unit Owner is personally liable for any Common Expense assessments which become due and payable during his or her ownership of the Unit. In absence of a successor's written agreement to assume a Unit Owner's obligation, personal liability for such assessments shall not pass to a successor in title to the Unit.

IX
MAINTENANCE AND REPAIR

Section 1. UNITS.

Each Unit Owner shall maintain, repair, and replace, at his or her own expense, all portions of his or her Unit, including all landscaping and fencing in any easements within the Unit Boundaries, except the portions thereof which may otherwise be required by this Declaration or by the Association to be maintained, repaired or replaced by other Persons.

Section 2. COMMON ELEMENTS.

The Association shall maintain, repair, and replace all such Common Elements except any Limited Common Elements or other Common Elements which are required by this Declaration to be maintained, repaired or replaced by less than all Unit Owners. The Association may transfer responsibility for maintenance of any Common Elements to a Master Association.

Section 3. LIMITED COMMON ELEMENTS.

At the time this Declaration is recorded, Declarant has not assigned any Limited Common Elements to Units in Bonnie Cusack Estates Association. However, if Declarant subsequently allocates any such Limited Common Elements, Common Expenses associated with the maintenance, cleaning, repair, or replacement of the Limited Common Elements will be assessed against the Unit(s) to which the Limited Common Element(s) is (are) assigned.

Section 4. RIGHT OF ACCESS.

Any Person authorized by the Executive Board shall have the right of access to all portions of the Property for the purpose of correcting any condition threatening a Unit or the Common Elements, and for the purpose of performing any installations, alterations, repairs, and/or utility work to include meter reading, equipment, upgrades, and/or repairs, provided that requests in advance for entry are made and that any such entry is at a reasonably convenient time for the affected Unit Owner except in cases of emergencies, where no such request or notice is required and such right of entry shall be immediate, whether or not the Unit Owner is present at the time.

Section 5. NEGLIGENCE.

Each Unit Owner will reimburse the Association for any damages to any other Unit or to the Common Elements caused by that Unit Owner's: intent or negligence; failure to properly maintain, repair, or make replacements to his or her Unit or to the Limited Common Elements assigned to his or her Unit; or failure to permit timely access to his or her Unit by any Person authorized such access by Section IX.4. The Association shall assess expenses to the responsible Unit Owners only after Notice and Hearing.

The Association will be responsible for damage to Units caused by its intent, negligence, or by its failure to maintain, repair, or make replacements to the Common Elements.

X

CONVEYANCE OR ENCUMBRANCE OF COMMON ELEMENTS

Section 1. UNIT OWNER AGREEMENT.

Subject to other provisions of the Act, and subsection XVIII.7.(d)(i) of the Declaration, portions of the Common Elements may be conveyed or subjected to a Security Interest by the Association if persons entitled to cast at least eighty percent (80%) of the votes in the Association, including eighty percent (80%) of the votes allocated to Units not owned by a Declarant, agree to the action, but each Unit Owner to which any Limited Common Element is allocated must agree in order to convey such Limited Common Element or subject it to a Security Interest. The proceeds of the sale or any loan secured by the encumbrance or sale of any Common Elements are assets of the Association.

Section 2. RECORDATION OF AGREEMENT.

An agreement to convey any Common Elements or to subject any Common Elements to a Security Interest must be evidenced by the execution of an agreement, or ratifications of the agreement, in the same manner as a deed by the requisite number of Unit Owners. The agreement must specify a date after which the agreement will be void unless recorded before the date. The agreement and each ratification of the agreement must be recorded in the Anchorage Recording District and is effective only upon recording.

Section 3. CONTRACTS BY THE ASSOCIATION.

The Association, on behalf of the Unit Owners, may contract to convey an interest in the Common Interest Community pursuant to Section X.1, but such contract is not enforceable against the Association until approved, ratified, and recorded pursuant to Sections X.1 and X.2. After such approval, ratification, and recordation, the Association shall have the powers necessary and appropriate to effect the conveyance or encumbrance, including the power to execute a deed or other instrument.

Section 4. UNIT INTEREST IN THE COMMON ELEMENTS.

Any conveyance, encumbrance, judicial sale, or other transfer (voluntary or involuntary) of an individual interest in the Common Elements will be void unless the Unit to which that interest is allocated is also transferred.

XI
RESTRICTIONS ON USE, OCCUPANCY, AND ALIENATION

Section 1. SINGLE-FAMILY RESIDENCE.

Residences shall be used exclusively for single-family Residential Purposes except as provided for in Section XI.8.

Section 2. NUISANCES.

No noxious or offensive activities shall be carried on upon any land subject to this Declaration, nor shall anything be done therein which might be, or may become, an annoyance or nuisance to the Common Interest Community. Such nuisances include the use of any heavy equipment or derelict automobiles.

Section 3. WASTE REMOVAL.

Trash, garbage, refuse, or other waste shall be disposed of through a household garbage disposal or wrapped in a secure package and deposited into a designated trash container. No owner of a Unit shall permit or cause any trash, garbage, refuse, or other waste to be disposed of on any portion of the Property except in a designated trash container. No portion of the Property shall be used for the storage of building materials, refuse, or any other materials other than in connection with approved construction.

Section 4. VEHICLE RESTRICTIONS.

No wrecked, inoperative, vandalized, or otherwise derelict-appearing automobiles, and no trucks, trailers, mobile homes, truck campers, detached camper units or boats shall be kept, placed, stored, or maintained upon any land subject to this Declaration, except within an enclosed garage.

Section 5. SIGNS.

Subject to Section VI.6, no signs of any kind shall be displayed to the public on any land subject to this Declaration, except that a Unit Owner may post one sign of not more than five (5) square feet advertising his or her Unit for sale or rent, and Declarant or Dealer may post one sign per lot, not to exceed twenty-five (25) square feet to advertise Units until they are first sold to a Unit Owner other than Declarant or Dealer.

Section 6. PET REGULATIONS.

No animals, livestock, or poultry of any kind shall be raised, bred, or kept in any Unit, except domestic dogs, cats, or other normal household pets, provided that they are not kept, bred, or maintained for commercial purposes, and provided that all dogs

shall be restrained as necessary to prevent them from becoming a nuisance. Except as otherwise provided in writing by the Executive Board, no more than two dogs, or one dog and one cat, or two cats may be kept in any Unit or on any Limited Common Element of any Unit. The Association shall have the right to prohibit maintenance of any animal which constitutes, in the opinion of the Executive Board, a nuisance to any other Unit Owner. Any Unit Owner shall be liable to each and all other Unit Owners, their families, guests and invitees, for any damage to person or property caused by any pets brought or kept upon the property by an owner, his or her family members, guests, licensees, or invitees.

Section 7. EXTERIOR INSTALLATIONS.

No outside pole or antennae shall be erected or maintained without first obtaining the approval of the Executive Board. No air conditioning or other machine shall be installed on the exterior of any Improvement on the Property or be allowed to protrude through the walls or roof of any improvement on the Property without the prior written approval of the Executive Board. No basketball standards or other athletic fixtures shall be attached to any residence or Improvement on the Property without the prior written approval of the Executive Board.

Section 8. BUSINESS ACTIVITY.

No business or commercial activity shall be maintained or conducted in any residence, except that: (1) Declarant, or a person designated by the Association as agent of the Association for purposes of managing the property, may maintain management offices and facilities in a residence; or (2) Unit Owners may engage in home professional pursuits not requiring regular visits from the public or unreasonable levels of mail, shipping, trash, or storage, provided that there exists no external evidence thereof.

Section 9. TIME SHARING PLAN.

Conveyance of a Unit pursuant to a time-sharing plan is prohibited.

Section 10. UNIT LEASING.

Any Unit Owner may lease his or her Unit to a third party, but such a lease arrangement must be in writing, must be for a term of more than sixty (60) days, must comply with the terms of the Documents, must not be for transient or hotel purposes, must provide that the failure to comply in all respects with the Documents shall be a default under the terms of the lease, and must be approved by the Executive Board. Any Unit Owner who wishes to lease his or her Unit to a third party must submit a copy of the lease to the Executive Board. The Executive Board's approval of

any Unit Owner's lease may not be unreasonably withheld; however, the Executive Board may, without limitation, disapprove leases which may effect any Unit's eligibility for any type of AHFC, FHA, HUD, FNMA, FHLMC, or VA financing.

Section 11. ARCHITECTURAL CONTROL STANDARDS

All Units in the Common Interest Community are also subject to Architectural Controls, attached as Exhibit E attached to this Declaration. Where the Architectural Controls conflict with the Declaration, the more restrictive standards shall apply. At the time Declarant adds additional Units to the Common Interest Community, Declarant may amend the Architectural Controls for said Units as permitted in Article VI.

Section 12. HOLD HARMLESS AND INDEMNIFICATION.

As described in Section IX.5, Unit Owners will be liable to the Association for any damages to the Common Elements or to any equipment on the Common Elements caused negligently or intentionally by themselves, their families, their occupants, their guests, or their invitees. By the acceptance of his or her deed, each Unit Owner further agrees to indemnify each and every other Unit Owner, and to hold each and every other Unit Owner harmless from any claim of any Person for personal injuries or property damage occurring within the residence of the Unit Owner, unless said injury or damage occurs by reason of the negligence or intent of any other Unit Owner, and each Unit Owner further agrees to defend, at his or her expense, any and all remaining Unit Owners who may be sued by any Person for a claim for personal injury or property damage alleged to have been sustained within the Unit of that Unit Owner. Unit Owners shall comply with and conform to all applicable laws and regulations of the United States and of the State of Alaska and all ordinances of the Municipality of Anchorage. Unit Owners shall hold harmless the Association and other Unit Owners from all fines, penalties, costs, and prosecutions for their violations, noncompliance, and/or their use of the property.

XII

EASEMENTS, COVENANTS, AND LICENSES

Section 1. GENERAL.

Easements, covenants, and/or licenses to which the Common Interest Community is presently subject are recited in Exhibit D to this Declaration and/or are shown on the Plans attached hereto. Declarant may subject the Common Interest Community to additional easements pursuant to Article VI.

Section 2. UNIT OWNERS' EASEMENTS.

Declarant expressly reserves, for the benefit of the Unit Owners and the Association, reciprocal easements of access, ingress, and egress over all of the Common Elements. Such easements may be used by Declarant's successors, purchasers, and all Unit Owners, their guests, tenants, and invitees, residing or temporarily visiting the Common Interest Community, for pedestrian walkways and such other purposes reasonably necessary for the use and enjoyment of a Unit and the Association. Such easements shall be appurtenant to, and shall pass and run with, the title to every Unit conveyed. If Declarant also assigns any Limited Common Elements to any Unit, Declarant expressly reserves, for the benefit of each Unit to which such Limited Common Elements are assigned, an exclusive easement for the use of such Limited Common Elements. If any Limited Common Element is assigned to more than one (1) Unit, but less than all Units, the exclusive easement to such Limited Common Element shall be held jointly by the Units to which it is assigned.

Section 3. LIMITATIONS ON UNIT OWNERS' EASEMENTS.

In the event any Common Element encroaches upon any Unit, or any Unit or Improvement, at no fault of the Unit Owner, encroaches upon any Common Element, as a result of the construction, reconstruction, repair, shifting, settlement or movement of any portion of the Common Interest Community, a valid easement for the encroachment and for the maintenance of the same shall exist so long as the encroachment exists.

The Association may, subject to other provisions of this Declaration and the Act, pledge, mortgage, assign, grant, or hypothecate a Security Interest in the Common Elements. The Unit Owners' easements are further limited by the right of the Association to charge fees for a Unit Owner's use of the Common Elements if such use is substantially different from the use offered to other Unit Owners and involves additional expense to the Association. The Unit Owners' easements are also limited by the Association's right to administer the Common Elements for the safety, health, and mutual benefit of the Unit Owners. Finally, the Unit Owners' easements are limited by the right of the Association to grant licenses to Persons for the use of Common Elements.

The Unit Owners' easements are limited by and subject to all other provisions of this Declaration and the Act.

XIII
ALLOCATION/REALLOCATION
OF LIMITED COMMON ELEMENTS

Common Elements conveyed by Declarant to Bonnie Cusack Estates Association which are not originally conveyed as a limited Common Elements may subsequently be so allocated in accordance with the procedures outlined in Article XV of this Declaration. Such allocations will be made by amendment to the Declaration. The amendment must specify to which Unit or Units the Limited Common Elements are assigned. No Limited Common Elements may be reallocated by amendment without consent of affected Unit Owners.

Such amendments shall require the approval and written endorsement of all holders of Security Interests in the affected Units. The Person executing the amendment shall provide an executed copy of the amendment to the Association. Provided that the amendment complies with the provisions of this Declaration and the Act, the Executive Board shall record it. The amendment shall contain words of conveyance and must be recorded and indexed in the names of the parties and the Common Interest Community.

The parties executing the amendment shall be responsible for the preparation of the amendment and shall reimburse the Association for its reasonable attorney's and consultant's fees in connection with any review of the amendment and for the recording costs.

XIV
IMPROVEMENTS AND ADDITIONS

Section 1. BOARD APPROVAL.

Excepting alterations or Improvements to the interior of Units, no replacement, addition, alteration, or removal of any building, structure, fence, drainage facility, common or limited common area landscaping, or planting shall be effected on any Unit other than by Declarant until the plans, and specifications showing the location and nature of such replacement, addition, alteration, or removal have been submitted to, and approved in writing by, the Board; nor shall any exterior painting or decorative alteration be commenced on any Unit other than by Declarant until the Board has approved the plans therefor, including, without limitation, the design, proposed color schemes, and the quality of the materials to be used.

All such plans and specifications shall be, if the Board so requires, prepared by an architect or landscape architect or licensed building designer, said architect and/or designer to be employed by the Unit Owner making application at his or her sole expense. Plans and any resubmittals required by the Board shall be

approved or disapproved by the Board within forty-five (45) days of their submittal or resubmittal. Failure of the Board to respond to a submittal or resubmittal of plans within such period shall be deemed disapproval of the plans as submitted or resubmitted. If the Board grants approval, it shall be conclusively presumed that the location and height of any Improvement as approved does not violate the provisions of this Declaration.

The approval of the plans and specifications may be withheld, not only because of noncompliance with any of the specific conditions, covenants, and restrictions contained in this Declaration, but also because of the Board's reasonable dissatisfaction with the location, elevation, color scheme, finish, design, proportions, conformity with any architectural control standards, shape, height style, appropriateness, or materials of any Improvement, alteration, or addition, or because of the Board's reasonable dissatisfaction with any or all other matters or things which, in the reasonable judgment of the Board, will render the proposed additions, alterations, and/or Improvements inharmonious or out of keeping with the Improvements erected on other Units or with the general plan of the Common Interest Community. If, after such plans and specifications have been approved, the Improvements are altered, erected, or maintained upon the Unit other than as approved by the Board, such alteration, erection, and maintenance shall be deemed to have been undertaken without the approval of the Board as required by this Declaration.

Section 2. PERMITS.

In addition to securing the Board's approval, a Unit Owner must also obtain any necessary governmental permits before construction commences on any Improvements, additions, or alterations. The cost of any such permits shall be paid by the Unit Owner.

Section 3. LIMITATIONS.

After the expiration of one (1) year from the date of completion of any Improvement, alteration, or addition, said Improvement, alteration, or addition shall, in favor of Purchasers and encumbrancers, in good faith and for value, be deemed to comply with all of the provisions hereof, unless: (1) a notice of such noncompliance or noncompletion, executed by one or more members of the Board, shall appear of record in the Office of the Recorder, Anchorage Recording District; or (2) legal proceedings in connection with such Improvement, alteration, or addition shall have been instituted to enforce compliance with this Article. If provisions of this Article conflict with provisions of the Architectural Controls, attached as Exhibit E to this Declaration, the provisions of Exhibit E control.

Section 4. NO WAIVER.

The approval of the Board under this Article of any plans or specifications for additions, alterations, or Improvements to the Property shall not be construed in any way as a waiver by the Board of its right to object to any feature or aspect of such plans and specifications found in subsequent plans or specifications submitted for approval under this Article or found in any additions, alterations, or Improvements undertaken without first securing approval under this Article.

Section 5. NO LIABILITY.

No member of the Board shall be liable to any Person for his or her decisions or failure to act in making decisions as a member of said Board. Nor shall the Association or Executive Board be liable for any condition of approval or any other matter connected with a Unit Owner's Improvement, addition, or alteration.

Section 6. DECLARANT RIGHTS.

The provisions of this Article do not apply to Declarant in the exercise of any Special Declarant Rights or Development Rights.

XV

ALTERATION OF UNIT BOUNDARIES

Section 1. APPLICATION AND AMENDMENT

Subject to approval pursuant to Article XIV and/or Exhibit E of any necessary alterations, the acquisition of any required governmental permits, and subject to any other Municipal requirements, the boundaries between adjoining Units may be reallocated by an amendment to the Declaration upon application to the Association by the Unit Owners affected by the reallocation. If the Unit Owners of the adjoining Units have specified a reallocation between their Units of their Allocated Interests, the application shall set forth the proposed reallocations. The application shall be approved or disapproved by the Executive Board within forty-five (45) days. Failure of the Board to respond within such period to the application shall be deemed disapproval of the application.

The Board's approval of the application may be withheld not only because of noncompliance with any of the specific conditions, covenants, and restrictions contained in this Declaration, but also by reason of the Board's reasonable dissatisfaction with any or all matters or things which, in the Board's reasonable judgment will render the proposed subdivision

inharmonious or out of keeping with the general plan of the Common Interest Community.

Section 2. VOTES.

Each Unit shall have only one (1) vote in the Association, notwithstanding any interest reallocation under this Article.

Section 3. AMENDMENT.

If the Board approves the application, the Association shall prepare an amendment that identifies the Units involved, states the reallocations of any interests in a revised Table of Allocated Interests, states the alteration(s) of Unit Boundaries, and states the Association's consent to the reallocation. The amendment must be executed by the affected Unit Owners and contain words of conveyance between them. If the amendment by any Person other than Declarant reallocates any interests in the Common Interest Community, the unanimous consent of the Unit Owners is necessary. The holders of any Security Interests in the affected Units shall endorse their approval on the amendment.

Section 4. RECORDATION.

On recordation, the amendment shall be indexed in the name of the grantor and the grantee, and in the grantee's index in the name of the Association. The Association shall also prepare and record plats or plans necessary to show the altered boundaries between adjoining Units, and their dimensions and Identifying Numbers.

The applicants will pay for the costs of preparation and recordation of the amendment, preparation and recordation of amended plats and plans, the reasonable consultant and/or attorney fees of the Association if the Executive Board deems it necessary to retain the services of any consultant and/or attorney, and any other costs reasonably incurred by the Association in connection with any application under this Article.

XVI
AMENDMENTS

Section 1. GENERAL.

Except as otherwise provided by the Documents and the Act, including, without limitation, AS 34.08.740, AS 34.08.260, and Section XV.13, Article XIII, and Article XVIII herein, this Declaration and its Plans may be amended only by vote or agreement of Unit Owners of Units to which at least sixty-seven percent (67%) of the votes in the Association are allocated.

Section 2. CONSENT OF SECURITY INTEREST HOLDERS.

As required by Articles XIII and XVIII, amendments may be subject to the consent of certain holders of Security Interests.

Section 3. UNANIMOUS CONSENT.

Except to the extent expressly permitted or required by other provisions of the Act and this Declaration, no amendment may change the uses to which any Unit is restricted, increase the number of Units, create or increase Special Declarant Rights, alter the boundaries of any Unit, or change the Allocated Interests of any Unit, in the absence of unanimous consent of the Unit Owners.

Section 4. DECLARANT RIGHTS.

Provisions in this Declaration reserving Declarant rights may not be amended without the consent of Declarant.

If, in Declarant's exercise of any rights described in Article VI of this Declaration, an amendment to the Declaration is required, the Declarant shall, in conformance with the Act, prepare, execute, and record an amendment, any required Plans, and any other required exhibits. Any amendment effected by Declarant's exercise of rights reserved in Article VI requires Declarant approval only.

Section 5. EXECUTION.

Amendments to this Declaration required by the Act to be recorded by the Association, which have been adopted in accordance with this Declaration and the Act, must be prepared, executed, recorded, and certified on behalf of the Association by an officer of the Association designated for that purpose or, in the absence of designation, by the president of the Association.

Section 6. RECORDATION.

Each amendment to the Declaration is effective only upon recording as set forth in AS 34.08.250(c) of the Act.

Section 7. LIMITATIONS.

Actions to challenge the validity of an amendment adopted pursuant to this Article may not be brought more than one (1) year after the amendment is recorded.

Section 8. COSTS.

The Board may allocate reasonable attorney's and/or consultant's costs and fees incurred by the Association in the

preparation and recordation of an amendment to the proponent(s) of such amendment.

XVII
AMENDMENTS TO BYLAWS

Following Notice and Comment to all Unit Owners, the Bylaws may be amended by vote of two-thirds (2/3) of the members of the Executive Board at any meeting duly called for such purpose.

XVIII
PROTECTION OF MORTGAGEES

Section 1. GENERAL.

This Article establishes standards and covenants on behalf of the holders, insurers, and guarantors of certain Security Interests in the Common Interest Community. In the case of conflict with other provisions of the Declaration, this Article shall control.

Section 2. PERCENTAGE OF ELIGIBLE MORTGAGEES.

Where this Declaration requires that certain actions have the approval or consent of a specified percentage of Eligible Mortgagees, "percent of Eligible Mortgagees" is calculated by dividing the total number of votes allocated to Units subject to Security Interests held by Eligible Mortgagees that approve or consent to the proposed action, by the total number of votes allocated to all Units subject to Security Interests held by Eligible Mortgagees.

Section 3. INSPECTION OF BOOKS.

The Association shall permit any Eligible Mortgagee, Eligible Insurer, or Unit Owner to inspect the books and records of the Association, including the Declaration, Rules, financial statements, and Bylaws, during normal business hours or under other reasonable circumstances.

Section 4. FINANCIAL STATEMENTS.

Upon any Eligible Mortgagee's or Eligible Insurer's written request, the Association shall provide a copy of an annual financial statement within ninety (90) days following the end of each fiscal year of the Association. Such financial statement shall be audited by an independent certified public accountant if the Common Interest Community contains fifty (50) or more Units or if any Eligible Mortgagee or Eligible Insurer specifically requests an audited financial statement. If the Common Interest Community contains fifty (50) or more Units, the cost of the audit shall be

a Common Expense. If the Common Interest Community contains less than fifty (50) Units, the Eligible Mortgagee or Eligible Insurer shall bear the cost of the audit.

Section 5. RIGHT OF ATTENDANCE.

Any representative of an Eligible Mortgagee or Eligible Insurer may attend any meeting at which Unit Owners have the right of attendance.

Section 6. NOTICES.

(a) The Association shall give prompt notice to each Eligible Mortgagee and Eligible Insurer of:

(i) Any casualty or condemnation loss exceeding \$10,000 in damages which affects: (1) a material portion of the Common Interest Community; or (2) any Unit in which there is a first Security Interest held, insured, or guaranteed by such Eligible Mortgagee and/or Eligible Insurer.

(ii) Any delinquency in the payment of any Common Expense assessments or any other default under the Documents by a Unit Owner whose Unit is subject to a first Security Interest held, insured, or guaranteed by such Eligible Mortgagee or Eligible Insurer, if such delinquency or default remains uncured for a period of sixty (60) days;

(iii) Any cancellation, lapse, or material modification of any insurance policy or fidelity bond required under this Declaration to be maintained by the Association;

(iv) Any proposed action which would require the consent of a specified percentage of Eligible Mortgagees as provided in Section XVIII.2;

(v) Any state or federal court judgment rendered against the Association.

(b) If the FNMA holds any mortgage in the existing Common Interest Community at the time additional property is to be added, the Association must furnish the FNMA with title evidence, in a form satisfactory to the FNMA, which discloses any lien, easement, or other encumbrance affecting the Property to be added or which will effect the existing Common Interest Community Property after such addition.

(c) The Association shall promptly deliver, by U.S. Postal Service or hand-delivery, all notices required under this Section without awaiting any request from Eligible Mortgagees and/or Eligible Insurers.

Section 7. CONSENT REQUIRED.

(a) The failure of an Eligible Mortgagee to respond within thirty (30) days to any written request of the Association for approval of a non-material addition or amendment to the Documents shall constitute that Eligible Mortgagee's implied approval of the addition or amendment.

(b) Notwithstanding any lesser requirement permitted by this Declaration or the Act and not excepting any greater requirements mandated by this Declaration or the Act, no amendment by the Association or Unit Owners of any material provision of the Documents described in this subsection may be effective without the vote of at least seventy-five percent (75%) of the Unit Owners and until approved in writing by at least seventy-five percent (75%) of the Eligible Mortgagees. The foregoing approval requirements do not apply to amendments effected by the exercise of any Special Declarant Rights. For purposes of this Section, "material" includes, but is not limited to, any provision affecting:

(i) allocation or reallocation of interests in the Common Elements or any Limited Common Elements, except that when any Limited Common Elements are allocated or reallocated by agreement between Unit Owners, then, in addition to other requirements which may be mandated by other Articles of this Declaration or the Act, only those Unit Owners and only the Eligible Mortgagees holding Security Interests in such Units must approve such action;

(ii) convertibility of Common Elements into Units or Units into Common Elements;

(iii) rights to use Common Elements;

(iv) assessment, assessment liens, or subordination of assessments;

(v) responsibility for maintenance and repairs in the Common Interest Community;

(vi) voting rights;

(vii) insurance or fidelity bonds;

(viii) the addition or withdrawal of Property to or from the Common Interest Community;

(ix) reserves for maintenance, repair, and replacement of Common Elements;

(x) partition or subdivision of Units or Unit boundaries except that when boundaries of only adjoining Units are involved, or when only a single Unit is being subdivided, then, in addition to other requirements which may be mandated by other Articles of this Declaration or the Act, only those Unit Owner(s) and the Eligible Mortgagee(s) holding Security Interests in such Unit or Units must approve such action;

(xi) imposition of restrictions on a Unit Owner's right to sell, transfer, or otherwise convey his or her Unit;

(xii) restoration or repair of the Common Interest Community after a hazard damage or partial condemnation in a manner other than specified in the Documents;

(xiii) the benefits of mortgage holders, insurers, or guarantors of first mortgages on Units on the Common Interest Community;

(xiv) establishment of self-management by the Association when professional management had been required previously by any Eligible Mortgagee;

(xv) termination of the Common Interest Community after substantial destruction or condemnation to the Common Interest Community; and

(xvi) leasing of units.

(c) Notwithstanding any lesser requirement permitted by this Declaration or the Act and not excepting any greater requirements mandated by this Declaration or the Act, the Association may not take any of the following actions, other than rights reserved to the Declarant as Special Declarant Rights, without the approval of at least fifty-one percent (51%) of the Eligible Mortgagees:

(i) use of hazard insurance proceeds for losses to any Property, whether to a Unit or to the Common Elements, for other than the repair, replacement, or reconstruction of such Improvements;

(ii) the granting of any easements, leases, licenses, and concessions through or over the Common Elements except leases, licenses, or concessions for a term of no more than one (1) year, and except for any utility easements intended to serve the Common Interest Community;

(iii) the restoration or repair of the Property after a hazard damage or partial condemnation in a manner other than that specified in the Declaration;

(iv) the merger of this Common Interest Community with any other Common Interest Community;

(v) any action taken not to repair or replace the Property; and

(vi) the assignment of the Association's future income and its right to receive Common Expense assessments.

(d) Notwithstanding any lesser requirement permitted by this Declaration or the Act and not excepting any greater requirements mandated by other Articles of this Declaration or the Act, the following actions, other than rights reserved to the Declarant as Special Declarant Rights, require the consent of Eligible Mortgagees as indicated below:

(i) conveyance or encumbrance of the Common Elements or any portion thereof requires approval of at least eighty percent (80%) of Eligible Mortgagees. A "conveyance or encumbrance" for purposes of this subsection does not include the granting of easements for public utilities or for other public purposes consistent with the intended use of the Common Elements by the Common Interest Community;

(ii) the termination of the Common Interest Community for reasons other than a substantial destruction or condemnation requires approval of at least seventy-five percent (75%) of Eligible Mortgagees; and

(iii) the Association may not change the period for collection of regularly budgeted Common Expense assessments to any period other than a monthly period without the consent of all Eligible Mortgagees.

Section 8. TRUSTEE.

In the event of damages or destruction under Article XXI or condemnation of all or a portion of the Common Interest Community, any Eligible Mortgagee may require that any proceeds from such damages, destruction, or condemnation to be payable to a Trustee established pursuant to Section XXI.5. Such Trustee may be required to be a corporate trustee licensed by the State of Alaska and may be required to represent the Unit Owners in condemnation proceedings or in negotiations, settlements, and agreements with the condemning authority for acquisition of the Common Elements, or any part thereof, by the condemning authority. Where required, each Unit Owner shall appoint the Trustee as attorney-in-fact for such purpose. Unless otherwise prohibited by this Declaration or by the Act, the members of the Executive Board acting by majority vote through the president may serve collectively as Trustee.

Section 9. ENFORCEMENT.

The provisions of this Article are for the benefit of Eligible Mortgagees and Eligible Insurers and their successors, and may be enforced by any of them by any available means.

Section 10. CONDEMNATION AND INSURANCE PROCEEDS.

Subject to the terms of an Eligible Mortgagee's Security Interest in a Unit, no provision of this Declaration shall be construed to give priority to any Unit Owner over any rights of such Eligible Mortgagee to any condemnation or insurance proceeds from the Property.

Section 11. REIMBURSEMENT.

If the Association is in default on any taxes on the Common Elements, or if any of the Association's insurance premiums are overdue, or if the Association has failed to renew insurance coverage required under this Declaration on the Common Elements, any Eligible Mortgagee may pay the Association's overdue taxes or overdue premiums or may pay to secure the required insurance coverage. Any Eligible Mortgagees making such payments shall be entitled to prompt reimbursement from the Association.

XIX
ASSIGNMENT OF FUTURE INCOME

Any assignment of the Association's future income and/or its right to receive Common Interest Expense assessments requires the affirmative vote of seventy-five percent (75%) of the votes in the Association at a meeting called by the Executive Board for the purpose of voting on such an assignment.

XX
INSURANCE

Section 1. GENERAL.

To the extent reasonably available, the Executive Board shall obtain and maintain insurance coverage as set forth in this Article. If such coverage is not reasonably available, and the Executive Board thus determines that any insurance described herein will not be maintained, the Executive Board shall cause notice of that fact to be delivered to all Unit Owners and Eligible Mortgagees at their last known addresses.

Section 2. BONDS.

A blanket fidelity bond is required for any person who either handles or is otherwise responsible for funds received,

held, or administered by the Association, whether or not such person receives compensation for his or her services. The bond shall name the Association as obligee and shall cover the maximum funds that will be in the custody of the Association or the Manager at any time while the bond is in force, and in no event less than the sum of three months' assessments on all Units in the Common Interest Community plus the Association's reserve funds. The bond shall include a provision that calls for ten (10) days' written notice to the Association, to each first mortgage holder of a Unit, to each servicer that services a Unit mortgage owned by the FNMA, FHLMC, VA, or AHFC, and to the insurance Trustee, if any, before the bond can be cancelled or substantially modified for any reason. The bond shall contain waivers by the issuer of the bond of all defenses based upon the exclusion of persons serving without compensation from the definition of "employees," or similar terms or expressions. The premiums for the fidelity bond shall be paid as a Common Expense by the Association.

Section 3. LIABILITY INSURANCE FOR DIRECTORS AND OFFICERS.

The Executive Board must obtain and maintain directors' and officers' liability insurance, if reasonably available, covering all of the Directors and officers of the Association in such limits as the Executive Board determines.

Section 4. WORKERS' COMPENSATION INSURANCE.

The Executive Board must obtain and maintain Workers' Compensation Insurance if such insurance is required by the laws of the State of Alaska.

Section 5. LIABILITY INSURANCE.

The Association shall secure comprehensive general liability insurance, including medical payments insurance, in an amount determined by the Executive Board but in no event less than \$1,000,000 per occurrence, covering any legal liability that may result from lawsuits related to employment contracts in which the Owners' Association is a party, and all occurrences commonly insured against for death, bodily injury, and property damage arising out of or in connection with the use, ownership, operation, or maintenance of the Common Elements, any areas under the Association's supervision to include public ways, and the activities of the Association.

Insurance policies carried pursuant to this Section shall also provide that:

(a) An act or omission by a Unit Owner, unless acting within the scope of the Unit Owner's authority on behalf of the

Association, will not prejudice the policy in any way or be a condition to recovery under the policy.

(b) The insurer issuing the policy may not cancel, refuse to renew, or otherwise substantially change it until 30 days after notice of the proposed cancellation, non-renewal, or substantial change(s) has (have) been mailed to the Association, each Unit Owner, each holder of a first mortgage on a Unit, and each holder of a Security Interest to whom a certificate or memorandum of insurance has been issued, at their last known addresses.

(c) The insurer waives the right to subrogation under the policy against Unit Owners or members of the households of Unit Owners.

(d) Each Unit Owner is an insured Person under the policy with respect to liability arising out of interest of the Unit Owner in the Common Elements or membership in the Association.

(e) If, at the time of a loss under the policy, there is other insurance covering the same risk covered by the Association's policy, the Association's policy provides primary insurance.

(f) A Unit Owner's claim will not be denied because of negligent acts of the Association or another Unit Owner.

Section 6. PROPERTY INSURANCE.

(a) PROPERTY INSURANCE COVERAGE. The Association shall secure property insurance that, at a minimum, protects against loss or damage by fire and all other hazards that are normally covered by the standard extended coverage endorsement, and all other perils customarily covered, including those covered by the standard "all risk" endorsement. The property insured by such policy must include all personal property owned by the Association and all Common Elements, including any buildings, fixtures, equipment, Improvements, and betterments which have been constructed or are maintained on the Common Elements. The Association's property insurance, however, may exclude land, excavations, portions of any foundations below the undersurfaces of the lowest basement floors, underground pilings, piers, pipes, flues, drains, and other items normally excluded from insurance coverage policies.

The Common Elements and any buildings, fixtures, equipment, Improvements, and betterments which are constructed or maintained on the Common Elements must be insured by the Association for an amount, after application of any deductions, equal to one hundred percent (100%) of their replacement cost at the time the insurance is purchased and at each renewal date, or equal to one hundred percent (100%) of their actual cash value at

the time the insurance is purchased and at each renewal date, whichever is greater. The Association must also insure personal property owned by the Association for an amount equal to its cash value.

If the Executive Board deems it necessary, it may obtain appraisals periodically to determine the replacement cost for the property described in this subsection. The cost of any such appraisals shall be a Common Expense.

(b) OTHER PROVISIONS.

(i) Insurance policies required by this Section shall also provide that:

(A) Any loss must be adjusted with the Association.

(B) The insurer may not cancel, refuse to renew, or otherwise substantially change the policy until thirty (30) days after notice of the proposed cancellation, non-renewal, or substantial change(s) has (have) been mailed to the Association, each Unit Owner, each holder of a first mortgage on a Unit, and each holder of a Security Interest to whom a certificate or memorandum of insurance has been issued, at their last known addresses.

(C) An act or omission by a Unit Owner or members of his or her household, unless acting within the scope of the Unit Owner's authority on behalf of the Association, will not prejudice the policy in any way or be a condition to recovery under the policy.

(D) The insurer waives the right to subrogation under the policy against Unit Owners or members of the households of Unit Owners.

(E) If, at the time of a loss under the Association's policy, there exists other insurance covering the same risk covered by the Association's policy, the Association's policy provides primary insurance.

(F) Insurance proceeds shall be paid to any insurance Trustee the Association designates in the policy for that purpose, and in the absence of such designation, to the Association itself. However, insurance proceeds in either case are to be held in trust for each Unit Owner and any Unit mortgagees.

(G) The policy shall contain the standard mortgage clause, or equivalent endorsement (without contribution), which is commonly accepted by private institutional mortgage investors in the area in which the Property is located and which, if appropriate, names the FNMA, FHLMC, AHFC, and/or VA as such corporations or holders of the first mortgages on the Units within the Common Interest Community.

(H) Notwithstanding any contrary provisions herein, the Association shall, if required by the FNMA, AHFC, VA, and/or FHLMC as a Unit Owner mortgagee on a Unit in the Association, continuously carry a master (or "blanket") policy of casualty insurance, and a fidelity bond, with such coverage and endorsements in form and amounts, including full replacement costs coverage with an "agreed-amount endorsement" and, if available, an "inflation guard endorsement," as may be required by the FNMA, AHFC, VA, and/or FHLMC as a mortgagee on a Unit in the Association or the Owner of such a Unit.

(I) The name of the insured shall be as follows: "Bonnie Cusack Estates, for the use and benefit of the individual Owners."

(ii) The terms of the insurance carrier's charter, bylaws, or policy shall not:

(A) Permit contributions or assessments against borrowers, Eligible Mortgagees, or the designees of Eligible Mortgagees.

(B) Make payments contingent upon action by the insurance carrier's board of directors, policy holders, or members.

(C) Include any limiting clauses (other than insurance conditions) which could prevent Eligible Mortgagees or the borrowers from collecting insurance proceeds.

Section 7. INSURANCE PREMIUMS.

Insurance premiums are to be paid as a Common Expense and funds necessary to cover the deductible amounts under the Association's insurance policies are to be included in the Association's operating budget.

Section 8. INSURANCE POLICIES OBTAINED BY UNIT OWNERS.

Unit Owners may obtain insurance for their own benefit notwithstanding the issuance of a policy to the Association.

Section 9. OTHER INSURANCE.

The Association may obtain other insurance which the Executive Board determines is reasonably necessary to protect the Association.

Section 10. INSURER'S RATING AND REINSURANCE.

The property insurance, liability insurance, and fidelity bond must be written by an insurance carrier with at least a B/III policy holder's rating and financial category rating in the Best's Key Rating Guide or by an insurance carrier which is covered by reinsurance with a company that does meet such rating requirements. Both insurer and reinsurer must execute an assumption of liability agreement or a similar endorsement providing for one hundred percent (100%) reinsurance of the insurer's policy. Further, the reinsurer must give the borrower, lender, and the insurer ninety (90) day written notice before cancelling or substantially changing the reinsurance.

In addition to the foregoing requirements for insurers, the Association must use general insurance carriers who meet the qualifications set forth in the *FNMA Conventional Home Mortgage Selling Contract Supplement* and the *FHLMC Seller's Guide*.

XXI

PROPERTY DESTRUCTION OR DAMAGE

Section 1. DUTY TO RESTORE PROMPTLY.

The portion of the Common Interest Community, if any, for which insurance is required under AS 34.08.440 or for which insurance is actually carried by the Association, whichever is more extensive, that is damaged or destroyed must be repaired or replaced promptly by the Association unless:

(a) The Common Interest Community is terminated pursuant to AS 34.08.260;

(b) Repair or replacement would be illegal under a statute or municipal ordinance governing health or safety; or

(c) Eighty percent (80%) of the Unit Owners, including each Unit Owner of a Unit that will not be rebuilt, vote not to rebuild.

Section 2. PLANS.

The Property must be repaired and restored in accordance with either the original plans and specifications or other plans and specifications which have been approved by the Executive Board,

a Majority of Unit Owners, and fifty-one percent (51%) of Eligible Mortgagees.

Section 3. PARTIAL RESTORATION OF THE PROPERTY.

(a) The insurance proceeds attributable to the damaged Common Elements shall be used to restore the damaged area to a condition compatible with the remainder of the Common Interest Community;

(b) Except to the extent that other Persons will be distributees:

(i) the insurance proceeds attributable to a Unit and Limited Common Elements that are not rebuilt must be distributable to the Owner of the Unit and the Owner of the Unit to which the Limited Common Elements were allocated, or to lien holders, as their interests may appear; and

(ii) the remainder of the proceeds must be distributed to each Unit Owner or lien holder, as their interests may appear, in proportion to the common interests of all the Units;

(c) If the Unit Owners including each Unit Owner of a Unit that will not be rebuilt, vote not to rebuild a Unit, the Allocated Interests of the Unit are reallocated upon the vote as if the Unit had been condemned under AS 34.08.740(a) of the Act, and the Association shall promptly prepare, execute, and record an amendment to the Declaration reflecting the reallocations.

Section 4. COST.

If the cost of repair or replacement exceeds insurance proceeds and the Association's reserves, it shall be a Common Expense.

Section 5. INSURANCE TRUSTEE.

If an insurance Trustee is designated in any insurance policy, the Trustee may have exclusive authority to negotiate losses under such policies and to perform other functions as are necessary to accomplish this purpose. The insurance Trustee may also be designated by the owners' Association as attorney-in-fact for purpose of purchasing and maintaining insurance, collecting and disposing of insurance proceeds, negotiating losses, executing releases of liability, executing other necessary documents, and performing all other acts necessary to accomplish this purpose.

Section 6. INSURANCE PROCEEDS.

The insurance Trustee, or if there is no insurance Trustee, then the Executive Board shall hold any insurance proceeds in trust for the Association, Unit Owners, and lien holders as their interests may appear. Subject to the provisions of Section XXII, the proceeds shall be disbursed first for the repair or restoration of the damaged Property. The Association, Unit Owners, and lien holders are not entitled to receive payment of a portion of the proceeds unless there is a surplus of proceeds after the Property has been completely repaired or restored or unless the Common Interest Community is terminated.

Section 7. CERTIFICATIONS.

If a Trustee has been designated by the Executive Board, such Trustee may rely on the following written certifications made by the Executive Board:

(a) Whether damaged and/or destroyed Property is to be repaired and/or restored;

(b) The amount(s) to be paid for repairs and/or restoration of the damaged Property, and the names and addresses of the parties to whom such amounts are to be paid.

Section 8. ATTORNEY OR TITLE COMPANY CERTIFICATION.

If payments pursuant to this Article are to be made to Unit Owners or Mortgagees, the Executive Board or its designated Trustee shall obtain and may rely on a title insurance company's certificate of title, an attorney's certificate of title, or a title insurance policy. The certificate of title or title insurance policy must be based on a search of the records of the Anchorage Recording District, Third Judicial District, State of Alaska, from the date of the recording of the original Declaration, and must state the names of the Unit Owners and the Mortgagees.

XXII
CONDEMNATION

If part or all of the Common Interest Community is taken by any power having the authority of eminent domain, all compensation and damages for and on account of the taking shall be payable in accordance with AS 34.08.740.

XXIII
RIGHTS OF NOTICE, COMMENT, AND APPEAL

Section 1. NOTICE AND HEARING.

Whenever the Documents or Executive Board require that an action be taken only after "Notice and Hearing," the entity proposing the action shall give written notice of the proposed action to all Unit Owners no less than ten (10) days before the hearing. The notice shall include a general statement of the proposed action and the date, time, and place of the hearing. At the hearing, any interested Unit Owner may, personally or by a representative, give written and/or oral testimony, subject to reasonable rules of procedure established by the Executive Board to ensure a prompt and orderly resolution of the issues. Any testimony offered in such a hearing does not bind the decision makers. All Unit Owners shall be notified of the decision in the same manner in which notice of the meeting was given.

Section 2. NOTICE AND COMMENT.

Whenever an amendment to the Association's Bylaws and/or Rules is proposed, whenever the Documents require "Notice and Comment," or whenever the Executive Board determines that "Notice and Comment" is otherwise appropriate, the Unit Owners have the right to receive notice of the proposed action(s) and the right to comment orally or in writing on the proposed action(s). Notice to each Unit Owner shall be effected by personal delivery or by the U.S. Postal Service, delivered or mailed to each Unit Owner's last known address. The notice shall be given not less than ten (10) days before the proposed action is to be taken or a hearing on the matter is scheduled. The Notice shall invite written or oral comments to the Executive Board on the proposed action(s) prior to the scheduled hearing. The rights described in this Section do not entitle a Unit Owner to be heard at any hearing or meeting called by the Association.

Section 3. APPEAL.

Any interested Unit Owner having a right to Notice and Hearing shall have the right to appeal to the Executive Board from a decision of entities other than the Executive Board by filing a written notice of appeal with the Executive Board within ten (10) days after being notified of said decision. The Executive Board shall conduct a hearing within thirty (30) days of receiving the written notice of appeal, giving the same notice and observing the same procedures as described in the preceding sections of this Article.

XXIV
EXECUTIVE BOARD

Section 1. POWERS AND DUTIES.

Except as otherwise limited by the Documents or the Act, the Executive Board may act in all instances on behalf of the Association. The Executive Board shall have, subject to said limitations, the powers and duties necessary for the administration of the affairs, operations, and governance of the Association and of the Common Interest Community including, but not limited to, the power to:

(g) cause any additional Improvements by the Association to be held as a part of the Common Elements;

(i) grant easements for public utilities or for other public purposes consistent with the intended use of the Common Elements, and grant leases, licenses, and concessions for no more than one year, through or over the Common Elements;

(k) impose fees, penalties, fines, late charges, interest, and collection costs, or a combination thereof for late payment of assessments and, after Notice and Hearing, levy reasonable fines, fees, and/or penalties for violations of this Declaration, the Bylaws, Rules, and/or regulations of the Association;

(l) impose reasonable charges for the preparation and recordation of amendments to this Declaration, any resale certificates that may be required by AS 34.08.590, and/or any statements of unpaid assessments;

(m) provide for the indemnification of the Association's officers and Executive Board and maintain Directors' and officers' liability insurance;

(n) assign the Association's right to future income, including the right to receive Common Expense assessments;

(o) exercise any other powers conferred by this Declaration or the Bylaws;

(p) exercise all other powers that may be exercised in this state by legal entities of the same type as the Association; and

(q) establish, by resolution, committees of Directors, permanent and standing, to perform any of the above functions under specifically delegated administrative standards, as designated in the resolution establishing such committees. All committees must give written notice, by the U.S. Postal Service or personal delivery, of their actions or decisions to Unit Owners and the Executive Board within fifteen (15) days of said actions or decisions. Such committee actions or decisions must be ratified, modified, or rejected by the Executive Board at its next regular meeting.

Section 2. LIMITATIONS ON THE EXECUTIVE BOARD.

The Executive Board may not act on behalf of the Association to amend this Declaration, to terminate the Common Interest Community, to elect members of the Executive Board to full terms, or to determine the qualifications, powers, duties, or terms of office of Executive Board members, but the Executive Board may fill vacancies in its membership for the unexpired portion of any term. Neither the Executive Board nor its Directors shall receive compensation for services performed pursuant to this Declaration.

Section 3. MINUTES.

The Executive Board shall permit any Unit Owner to inspect the Minutes of Executive Board meetings during normal business hours. The Minutes shall be available for inspection within ten (10) days after any such meeting.

Section 4. MEETINGS.

(a) ASSOCIATION MEETINGS.

The Executive Board shall call a meeting of the Association at least once each year. A special meeting of the Association may be called by the president of the Board, by a majority of the members of the Executive Board, or by Unit Owners comprising at least twenty percent (20%) of the votes in the Association. Not less than ten (10) nor more than sixty (60) days in advance of the meeting, an officer designated by the Executive Board shall cause notice to be hand delivered or mailed by the U.S. Postal Service to the last known address of each Unit Owner. The notice of the meeting must state the time and place of the meeting and the items on the agenda, including the general nature of any proposed amendment to the Documents, budget changes, and any proposal to remove an officer or member of the Executive Board.

(b) EXECUTIVE BOARD MEETINGS.

All Association members shall have the right to attend all meetings of the Executive Board at which action is to be taken by vote of the directors. Notice of such meetings shall be given not less than twenty-four (24) hours prior to the time set for such meeting, by posting such notice in a conspicuous location in the Common Interest Community and/or by hand delivering notice to each Unit. If an emergency situation requires an immediate meeting of the Executive Board, no such notice is required.

XXV
TERMINATION

The Common Interest Community may be terminated only in conformity with AS 34.08.260 of the Act.

XXVI
MISCELLANEOUS

Section 1. SECURITY.

The Association may, but shall not be obligated to, maintain or support certain activities within the Common Interest Community designed to make the Properties safer than they otherwise might be. NEITHER THE ASSOCIATION, THE DECLARANT, NOR ANY

SUCCESSOR DECLARANT SHALL IN ANY WAY BE CONSIDERED INSURERS OR GUARANTORS OF SECURITY WITHIN THE COMMON INTEREST COMMUNITY, NOR SHALL ANY OF THEM BE HELD LIABLE FOR ANY LOSS OR DAMAGE BY REASON OF FAILURE TO PROVIDE ADEQUATE SECURITY OR OF INEFFECTIVENESS OF ANY SECURITY MEASURE UNDERTAKEN. EACH UNIT OWNER ACKNOWLEDGES, UNDERSTANDS AND COVENANTS TO INFORM ITS TENANTS THAT THE ASSOCIATION, ITS EXECUTIVE BOARD AND COMMITTEES, DECLARANT, AND ANY SUCCESSOR DECLARANT ARE NOT INSURERS AND THAT EACH PERSON USING THE COMMON INTEREST COMMUNITY ASSUMES ALL RISKS FOR LOSS OR DAMAGE TO PERSONS, TO UNITS AND TO THE CONTENTS OF UNITS RESULTING FROM ACTS OF THIRD PARTIES.

Section 2. CHANGES IN THE ACT.

Many provisions of this Declaration and in the Bylaws repeat exactly or substantially the same rule or outcome in a particular instance as that required by the Act on the date this Declaration was recorded, or repeat the same rule which the Act would impose as a default rule if the Declaration or Bylaws were silent on that subject.

The Declarant anticipates the possibility that the Act will be amended from time to time to reflect contemporary thinking and experience regarding the structure and governance of common interest communities. The Declarant believes it is in the best interest of the Unit Owners at Bonnie Cusack Estates that the Property might always be governed in accordance with the most current provisions of the Act, subject to the right in any particular case of the Unit Owners and the Executive Board to vary that outcome by adopting a rule or amendment to the Declaration in the manner provided for such amendments.

Accordingly, this Section directs that, in the future and from time to time, in all instances where this Declaration or the Bylaws contain language that precisely or substantially tracks the Act on the date that Bonnie Cusack Estates is declared, this Declaration and the Bylaws shall be automatically amended in accordance with the amended cognate language of the Act which may be adopted by the State of Alaska, unless the particular language of the Declaration or Bylaws, either as initially adopted or as amended at any subsequent time by the Association, is substantially at variance with the amended text of the Act.

Section 3. CAPTIONS.

The captions in this Declaration are inserted for convenience of reference only, do not constitute a part of this Declaration, and in no way define, describe, or limit the scope or intent of this Declaration or any of the provisions hereof. The exhibits referred to as being attached to this Declaration are intended to be incorporated in this Declaration by such reference.

Section 4. INVALIDITY.

If any term, covenant, or condition of this Declaration is held to be invalid or unenforceable in any respect, such invalidity or unenforceability shall not affect any other provision hereof and this Declaration shall be construed as if such invalid or unenforceable provision had never been contained herein.

Section 5. WAIVER.

No delay in exercising any right or remedy of any of the parties hereunder shall constitute a waiver thereof, and no waiver by the parties of the breach of any covenant of this Declaration shall be construed as a waiver of any preceding or succeeding breach of the same or any other covenant or condition of this Declaration.

Section 6. GENDER.

As used herein, each of the masculine, feminine, and neuter genders shall include the other genders, the singular shall include the plural, and the plural shall include the singular, wherever appropriate to the context.

Section 7. RIGHT OF ACTION.

The Declarant, Association, and/or any aggrieved Unit Owner is granted the right of action against Unit Owner(s) who fail to comply with the provisions of the documents or the decisions made by the Association.

In an action to enforce this Declaration's provisions, the prevailing party shall be entitled to recover court costs and actual attorneys' fees.

Section 8. CONFLICT.

Declarant intends that the Documents comply with the requirements of the Act and Alaska Statutes governing nonprofit corporations, AS 10.20, et seq. If the Documents conflict with any statutes, the conflicting terms of the statutes shall control. If the Declaration conflicts with any other document, the Declaration shall control.

Section 9. LIQUIDATED DAMAGES.

Since it is difficult to determine damages for the violation of Declaration provisions, except where this Declaration provides some other figure, the prevailing party in any action to enforce the provisions of this Declaration shall be entitled to recover liquidated damages in the amount of \$30.00 per day for each

day the condition, which is the subject matter of the action to enforce, exists. Each violation of the Declaration shall give rise to a separate liquidated damage recovery. This liquidated damage award shall increase, but not decrease, every five (5) years from the date of this Declaration to match the equivalent increase, if any, in the Consumer Price Index for Urban Wage Earners and Clerical Workers: U.S. City Average, All Items 1967 equal \$100.00, issued by the Bureau of Labor Statistics for the United States Department of Labor with the index for November 1997 as the price index figure.

IN WITNESS WHEREOF, the Declarant has caused this Declaration to be executed on the day and year first hereinabove written.

EXHIBIT E

ARCHITECTURAL CONTROLS

1. Section General.

No structure shall be placed, erected, or installed upon any Unit, and no improvements (including staking, clearing, excavation, grading and other site work, exterior alteration of existing improvements, and planting or removal of landscaping materials) shall take place except in compliance with this Exhibit E and the Design Guidelines and upon approval of the appropriate committee under Section 2 hereof.

Any Unit Owner may remodel, paint or redecorate the interior of structures on his Unit without approval. However, modifications to the interior of screened porches, patios, and similar portions of a Unit visible from outside the structures on the Unit shall be subject to approval as provided for herein. No approval shall be required to repaint the exterior of a structure in accordance with the originally approved color scheme or to rebuild in accordance with originally approved plans and specifications.

All dwellings constructed on any portion of the Common Interest Community shall be designed by and built in accordance with the plans and specifications of a licensed architect or licensed building designer.

Section 2. Architectural Review.

Responsibility for administration of the Design Guidelines, as defined below, and review of all applications for construction and modifications under this Exhibit E shall be handled by the two committees as described in subsections (a) and (b). The members of the Committees need not be Unit Owners or representatives of Unit Owners, and may, but need not, include architects, engineers or similar professionals, whose compensation, if any, shall be established from time to time by the Executive Board. The Executive Board may establish and charge reasonable fees for review of applications hereunder and may require such fees to be paid in full prior to review.

a. Initial Construction Committee. The Initial Construction Committee ("ICC") shall consist of one to three persons and shall have exclusive jurisdiction over all original construction on any portion of the Common Interest Community. Until 100% of the Common Interest Community has been developed and conveyed to Unit Owners other than Builders or Dealers, the Declarant retains the right to appoint all members of the ICC who shall serve at the Declarant's sole discretion. There shall be no surrender of this right prior to that time except in a written

instrument in recordable form executed by Declarant. Upon the expiration of such right, the Executive Board shall appoint the members of the ICC, who shall serve and may be removed in the Executive Board's discretion.

b. Modifications Committee. The Executive Board may establish a Modifications Committee ("MC") to consist of at least three and no more than five persons, all of whom shall be appointed by and shall serve at the discretion of the Executive Board. The MC, if established, shall have exclusive jurisdiction over modifications, additions, or alterations made on or to existing structures on Units or containing Units and any common elements. The ICC shall have the right to veto any action taken by the MC which the ICC determines, in its sole discretion, to be inconsistent with the Design Guidelines.

Section 3. Guidelines and Procedures.

The Declarant shall prepare the initial design and development guidelines and application and review procedures (the "Design Guidelines") which shall apply to all construction activities within the Common Interest Community. The Design Guidelines may contain general provisions applicable to all Units, as well as specific provisions which vary from Unit to Unit depending upon location, unique characteristics, and intended use.

The ICC shall adopt such Design Guidelines at its initial organizational meeting and thereafter shall have sole and full authority to amend them. Any amendments to the Design Guidelines shall apply to construction and modifications commenced after the date of such amendment only and shall not apply to require modifications to or removal of structures previously approved once the approved construction or modification has commenced.

The ICC shall make the Design Guidelines available to Unit Owners, builders, and Dealers who seek to engage in development or construction within the Common Interest Community and all such Persons shall conduct their activities in accordance with such Design Guidelines. In the Declarant's discretion, such Design Guidelines may be recorded in the Anchorage Recording District, Third Judicial District, State of Alaska, in which event the recorded version, as it may unilaterally be amended from time to time, shall control in the event of any dispute as to which version of the Design Guidelines was in effect at any particular time.

The MC may adopt detailed procedures and standards governing its area of responsibility, consistent with those set forth in the Design Guidelines and subject to review and approval or disapproval by the ICC.

Section 4. Submission of Plans and Specifications.

a. No construction or improvements shall be commenced, erected, placed or maintained on any Unit, nor shall any exterior addition, change or alteration be made thereto, until the plans and specifications ("building plans") showing site layout, structural design, exterior elevations, exterior materials and colors, signs, landscaping, drainage, lighting, irrigation, utility facilities layout, and screening therefor shall have been submitted to and approved in writing by the ICC or MC, as appropriate. The Design Guidelines shall set forth the procedure for submission of the building plans.

b. In reviewing each submission, the ICC or MC, as appropriate, may consider visual and environmental impact, ecological compatibility, natural platforms and finish grade elevation, harmony of external design with surrounding structures and environment, and location in the relation to surrounding structures and plant life. The committees may require relocation of native plants within the construction site as a condition of approval of any submission.

The ICC or MC, as appropriate, shall, within 45 days after receipt of each submission of the building plans, advise the party submitting the same, in writing, at an address specified by such party at the time of submission, of (i) the approval of building plans, or (ii) the segments or features of the building plans which are deemed by such committee to be inconsistent or not in conformity with this Declaration and/or the Design Guidelines, the reasons for such finding, and suggestions for the curing of such objections. In the event the appropriate committee fails to advise the submitting party by written notice within the time set forth above of either the approval or disapproval of the building plans, the building plans shall be deemed disapproved. Notice shall be deemed to have been given at the time the envelope containing such notice, properly addressed, and postage prepaid, is deposited with the U.S. Postal Service, registered or certified mail, return receipt requested. Personal delivery of such written notice shall, however, be sufficient and shall be deemed to have been given at the time of delivery.

c. If construction does not commence on a project for which building plans have been approved within 12 months of such approval, such approval shall be deemed withdrawn, and it shall be necessary for the Unit Owner to resubmit the building plans to the Declarant for reconsideration.

Section 5. No Waiver of Future Approvals.

Each Unit Owner acknowledges that the members of the ICC and the MC will change from time to time and that interpretation, application and enforcement of the Design Guidelines may vary

accordingly. Approval of proposals, plans and specifications, or drawings for any work done or proposed, or in connection with any other matter requiring approval, shall not be deemed to constitute a waiver of the right to withhold approval as to any similar proposals, plans and specifications, drawings, or other matters subsequently or additionally submitted for approval.

Section 6. Variance.

The ICC may authorize variances from compliance with any of its guidelines and procedures when circumstances such as topography, natural obstructions, hardship, or aesthetic or environmental considerations require. Such variances may only be granted, however, when unique circumstances dictate and no variance shall (a) be effective unless in writing; (b) be contrary to this Declaration; or (c) estop the ICC from denying a variance in other circumstances.

Section 7. Limitation of Liability.

Review and approval of any application pursuant to this Exhibit E is made on the basis of aesthetic considerations only and neither the ICC nor the MC shall bear any responsibility for ensuring the structural integrity or soundness of approved construction or modifications, nor for ensuring compliance with building codes and other governmental requirements. Neither the Declarant, the Association, the Executive Board, any committee, or member of any of the foregoing shall be held liable for any injury, damages, or loss arising out of the manner or quality of approved construction or modifications to any Unit.

Section 8. Enforcement.

Any structure or improvement placed or made in violation of this Exhibit E shall be deemed to be nonconforming. Upon written request from the Executive Board or the Declarant, Unit Owners shall, at their own cost and expense, remove such structure or improvement and restore the land to substantially the same condition as existed prior to the nonconforming work. Should a Unit Owner fail to remove and restore as required, the Executive Board or its designees shall have the right to enter the Unit, remove the violation, and restore the property to substantially the same condition as previously existed. All costs, together with the interest at the maximum rate then allowed by law, may be assessed against the benefitted Unit and collected as a special assessment.

Any contractor, subcontractor, agent, employee, or other invitee of a Unit Owner who fails to comply with the terms and provisions of this Exhibit E and the Design Guidelines may be excluded by the Executive Board from the Common Interest Community.

In such event, neither the Association, its officers, its committees, nor its directors shall be held liable to any Person for exercising the rights granted by this paragraph.

In addition to the foregoing, the Association shall have the authority and standing to pursue all legal and equitable remedies available to enforce the provisions of this Exhibit E and the decisions of the ICC and MC.

Section 9. Application; Amendment.

This Exhibit E shall not apply to the activities of the Declarant, nor to improvements to the Common Elements by or on behalf of the Association.

This Exhibit E may not be amended without the Declarant's written consent so long as the Declarant owns any land subject to the Declaration.

DESIGN GUIDELINES

FOR

Bonnie Cusack Estates (A Planned Community)

1. Structure Type. No building or structure shall be erected, altered, placed, or permitted to remain on any Unit other than:

- (a) one detached single-family dwelling;
- (b) one garage. Every dwelling must have a garage capable of housing at least two automobiles. Larger garages or more than one garage may be permitted by the Initial Construction Committee ("ICC") on a case-by-case basis;
- (c) fences, gates and associated structures; and
- (d) any other accessory building, structure, or other item if approved by the appropriate committee [either the ICC or Modifications Committee ("MC"), hereinafter referred to as the "approving committee"] pursuant to Exhibit E of the Declaration.

None of the items listed above may be constructed, installed, placed or made without the express written approval of the approving committee as required by Exhibit E to the Declaration.

2. Cost, Quality and Size. No dwelling smaller than 1,200 square feet of gross floor area for building/living space, excluding porches, garages, covered patios, or sun decks shall be constructed on a Unit unless the ICC expressly waives the size requirement. Any such waiver will be granted only if the ICC, in its sole discretion, determines that the proposal substantially conforms with the intent of these Design Guidelines and the finished appearance contributes to the appearance of the entire neighborhood.

Dwellings to be constructed on Lots 11-42, Block 1, and Lots 29-46, Block 2, of the second and third phases in the development of Bonnie Cusack Estates, shall have a market value in 1998 dollars of at least \$170,000, including the value of the lot. It is the intention and purpose of these standards to assure that all dwellings shall be of a quality of workmanship and materials substantially the same or better than that which can be produced on the date this Declaration is recorded. The ICC has the right to waive these dollar amounts in its sole discretion.

3. Building Height. Building height shall generally be maintained at above the minimum height in feet otherwise required by municipal regulation, measured as described in Title 21 of the Anchorage Municipal Code, but the ICC may expressly waive on a case-by-case basis the foot height limitation and allow an individual building to be constructed at the minimum height in feet required by the Anchorage Municipal Code. Moreover, to the satisfaction of the ICC, all dwellings must have the appearance of two story structures from street level.

4. Exterior Appearance, Colors, and Materials. To ensure the development of Bonnie Cusack Estates as a planned community of high standards, the approving committee shall be responsible for approving exterior colors to promote a pleasing and compatible neighborhood appearance. In doing so, the approving committee shall have the power to approve or disapprove any exterior color and/or trim before application. Such approval or disapproval shall be made by the determination of the approving committee, in its sole discretion, as to whether the proposed color and/or trim adversely affect(s) the overall appearance of the neighborhood. Overly vibrant colors will be disallowed, as will color schemes that clash with the neighborhood's overall appearance.

Similarly, the approving committee shall be responsible for approving the type of materials used on Unit exteriors. High maintenance exterior finishes, such as log oil or similar clear lacquer or varnish, shall not be allowed on the exterior of any structure. However, natural semi-transparent stains or other similar finishes which are designed to mimic clear finishes, which may have been manufactured to offer longer-term low maintenance, may be approved on a case-by-case basis, at the sole discretion of the approving committee.

The exterior finish of the front of every home shall be of a horizontally placed lap siding. The lap siding shall be cedar, an approved wood composition lap siding, or a substantively similar equal finish as approved by the approving committee in its sole discretion. The ICC and MC will restrict the use of T1-11 siding or material of similar appearance, quality, cost, and/or composition to the sides and rear of each home. Drivit, however, is allowed and encouraged.

The Unit Owner shall blend the paint, if necessary, while applying it to the structure's surfaces in order for the paint to appear the same color on all surfaces when dried. Other permitted exterior finishes are wood composition lap siding, real brick, real stone, stucco, or an approved equal finish. The application of stucco, however, is to be used only as an accent treatment and is limited to not more than 10% of the exterior surface area of any dwelling, unless this limitation is modified by the approving committee, in its sole discretion. Exterior colors shall be restricted to soft "earth tones" as determined by the approving

committee, in its sole discretion. The exterior colors and materials must be approved by the approving committee prior to their application and installation.

All roofs shall be of a material, color, and texture as approved by the approving committee. Flat roof construction shall not be permitted. The pitch of the roof must exceed five percent. No maximum or minimum pitch is otherwise specified; however, the approving committee's approval or disapproval will be based on the visual impact of the roof on the Unit or on neighboring Units, dwellings, roads, and open spaces. The overall appearance of the dwelling shall be an important consideration.

All projections including, but not limited to, chimney flues, vents, gutters, downspouts, utility boxes, porches, railings and exterior stairways shall match the color of the surface from which they project, or shall be of any approved color. Any building projections must be contained within any setback restrictions.

Visual impact of garage doors shall be minimized by such measures as, but not limited to, location of the dwelling, protective overhangs or projections, special door-facing materials, design, and/or landscaping. Only raised panel wood or raised panel metal garage doors are allowed, unless expressly approved by the approving committee.

5. Placement of Structures. The location of any and all man-made structures is subject to the approval of the ICC. Structures, as defined in the Anchorage Municipal Code, may not encroach into the yard areas as required by the Anchorage Municipal Code. Front yard setbacks are to be varied to avoid a uniform appearance and the ICC may require additional front yard setbacks.

6. Completion of Construction. Once commenced, any construction of a dwelling must be pursued to completion with diligence and continuity, and in no event shall such construction period exceed one year, except for certain interior unfinished areas previously approved by the ICC. During the course of construction, the Unit Owner or builder shall protect from damage contiguous pavements, curbs, walks, streets, shoulders, and utility structures in the vicinity of, or leading to the construction area, and shall keep pedestrian and road rights-of-way, as well as drives, reasonably clear of equipment, building materials, dirt, debris, and similar items. No buildings constructed elsewhere shall be moved to or placed on any Unit except with the approval of the ICC. No building shall be in any manner occupied while in the course of original construction or until it complies with all applicable requirements of the Declaration, the Municipality of Anchorage, and this Exhibit. All other improvements shall be completed within ninety days following commencement of construction.

7. Fences. No fence or wall shall be erected until after the plans for such fence or wall are approved in writing by the ICC. No fence or wall shall be erected or placed in the front yard of any Lot nearer to the street than the front of the residence unless otherwise approved by the ICC. No metal, plastic, chain link, processed wood, or wood link fences shall be allowed in the planned community. Only natural wood fences shall be permitted; however, posts and their brackets may be metal or processed wood with approval of the approving committee. All fences must be properly maintained as an attractive addition to the Unit. Fences include dog runs, pens, garden enclosures, and any other visible exterior boundary dividers.

8. Landscaping. It is the intent of Declarant to require that landscaping be completed promptly after construction is completed. All homes substantially completed between and including the dates of July 1st and May 1st of the following year are to be landscaped no later than the first of August of that following year. Homes substantially completed after May 1st and on or before June 30th of the same year must be landscaped by August 15th of that same year. All walks, driveways, and parking areas shall be paved or similarly improved. Vegetable gardens are not permitted in the front yard of a Lot without the express written approval of the approving committee. Decorative concrete block, sometimes referred to as Keystone block and often used in brown or gray color, is an acceptable material for non-structural landscaping and retaining walls. Only wood, natural rock, or poured concrete with a washed pebble surface is acceptable for purposes of constructing non structural landscaping and retaining walls. All Unit Owners must submit their landscaping plans to the ICC for approval and all tree removal, tree thinning, vegetation removal, or planting of new trees or vegetation must be in accordance with an approved landscape plan.

9. Trees. No Unit Owner shall be permitted to completely clear a Lot where standing trees of size and beauty exist. Space may be cleared for construction and trees may be thinned, so long as the maximum natural beauty and aesthetic values of such trees are retained. A minimum of two evergreen trees of not less than six (6) feet in height and one deciduous tree of not less than eight (8) feet in height and a minimum of four (4) shrubs not less than two (2) feet in height are to be maintained on the front portion of each Unit. The front portion of a Unit for the purpose of this section shall be limited to the area between the front of the dwelling and the street curb unless otherwise approved by the ICC. Trees and vegetation in the rear and sides of the Unit are not to be substituted for the vegetation required in this paragraph. Upon prior written request, the ICC may approve deviations from these requirements to accommodate lot size, shape and/or topography.
