Description of Improvements:

Note: Please be advised that the Municipality of Anchorage has independent authority to enforce codes and may require a building permit to be issued. The homeowner is responsible for presenting their design to the MOA, Building Safety Division, for their approval prior to construction as required.

Please include an As-built of your lot showing your proposed improvement drawn onto it.

Exterior paint applications must include body, trim, door (garage and man) colors, paint brand name, paint numbers. Some colors may require a 1-foot x 1-foot board sample.

Completed application can be emailed to the management office at info@pmsialaska.com, faxed to 562-3550, hand delivered to 601 W 41st Avenue, Suite 201. Questions? Call 562-2929.
