

Retaining Wall, Planters or Statuary Application

Owner Name	
Property Address	
Attach	Design Review Application, this application, as-built survey, \$50.00 application fee and other documents as required below.

Note: Statuary, unless small and unobtrusive, located in a flower bed or rock garden, is **not** approved for front yards. If located in the side or back yard, it must not be visible from the street.

Planters should not be installed in front yards within thirty feet (30') from the center of the roadway. Any encroachment into this area will require a Municipal permit.

Description of structure to be installed:

Location description:

Dimensions of the structure (length-width-height): _____

Type of material to be used: _____

Color of the material: _____

1. Attach a detailed drawing or picture of a similar structure.
2. Attach a copy of your as-built survey with the proposed location of the retaining wall, planters or statuary locations and corresponding dimensions. Indicated distances to any existing structures and property lines.
