- ** **Paint samples are REQUIRED**
- *** **May require As-built**

*All correspondence will be sent via email unless otherwise noted.

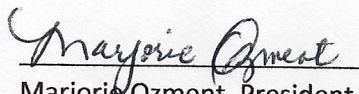

Architectural Review Committee
Alyssa Castles, Board Representative
Shari Boyd, Homeowner
Helen Best, Homeowner

The attached information was submitted to the Board of Directors by the Architectural Review Committee.

The Committee was tasked with selecting front entry door replacement options for homeowners. With upcoming repairs and painting, some homeowners wanted to replace their front entry door. The following specifications were presented to the Board for Approval.

1. Door Replacements will be constructed of fiberglass or metal material. The door finish may be smooth or textured.
2. Door panels may be solid, or glass paneled.
3. Glass style options are Clear, Chord, Monumental, Narrow Reed, Pin Head, Rain, Roof Top, Sable, Satin Etch, Screen Dot, or Travertine. Homeowner selects from these options.
4. Door styles may be single or double.
5. Matching side panels or transoms may be added.
6. The door will be painted the color of the PUD color scheme.
7. Door selection for Replacement will be from the following listing with accompanying pictures.
 - Eight Panel Door (What we currently have.)
 - Five Panel Door with or without glass insert.
 - Four Panel Door with three vertical panels and one horizontal panel with or without glass insert panels.
 - Three Panel Craftsman style with two vertical panels and one horizontal panel with or without glass inserts.
 - Three Panel Contemporary style with or without glass inserts. Picture E.
8. Door hardware is per the owner's selection.

The Board Reviewed and Approved the above recommendations.

Date

Eight panel - current style

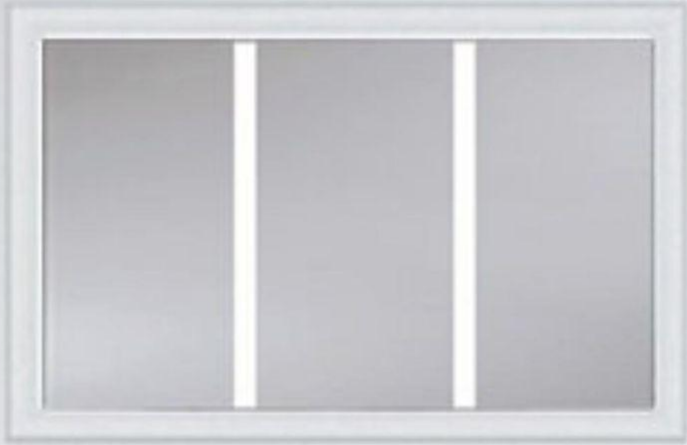

A light gray door with three vertically stacked rectangular panels. Each panel is defined by a double-line border, creating a recessed effect. The top panel contains text, while the middle and bottom panels are empty.

Three panel contemporary
(with or without glass)

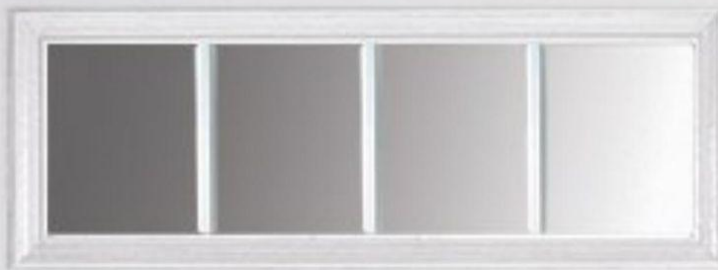

Three panel craftsman (two vertical, one horizontal, with or without glass)

Four panel (three vertical, one horizontal, with or without glass)

Five panel (with or without glass insert)
