

Since Country Square is a community, what do we do with the trash?

Owners, tenants or guests shall not throw/place garbage or trash anywhere on common areas other than in the dumpsters provided for such purposes.

All unit balconies are to be kept clear of garbage, garbage cans, boxes, etc.

To maintain a safe egress, all stairways, stairway landings, and landings in front of unit doors are to be kept clear at all times of bicycles, garbage bags, boxes, wood, etc.

Dumpsters are only for those who are actively living in Country Square units.
