## DECLARATIONS

### A. LIMITS OF INSURANCE

The most we will pay for loss or damage is the applicable Limit of Insurance shown below.

1. Limit of Insurance, as respects "Earthquake": \$13,315,500

Limit of Insurance, as respects "Flood": Not Covered

This policy will not pay more than the Limit of Insurance for the Causes of Loss listed above during the Policy Period, regardless of the number of "loss occurrences".

Limit of Insurance, All Other Covered Causes of Loss: \$13,315,500

As respects loss or damage caused by or resulting from All Other Covered Causes of Loss, this policy will not pay more than the Limit of Insurance shown above during any one "loss occurrence".

Limit of Insurance, any one "loss occurrence": \$13,315,500

In no event will our liability exceed this limit for any one "loss occurrence", regardless of the number of coverages, Causes of Loss or locations involved, and regardless of any additional coverages provided under this policy.

#### a. Sub-limits of Insurance.

These amounts are the most we will pay for the items described below and are included within and will not increase the Limit of Insurance described in **A.1.** above.

Loc #	Bldg #	Sub-limit of:	Description of Coverage:	Sub-limit of Insurance:
1	Aggregate	Building	Underground Utilities	\$266,918

This policy will not pay more than the Sub-limit of Insurance during the Policy Period, regardless of the number of "loss occurrences".

2. This policy provides scheduled coverage. It does not provide blanket coverage. This insurance applies only to those locations and Coverage Items identified in Section **E. SCHEDULE OF LOCATIONS AND VALUES**, or Statement of Values made part of this policy if the **SCHEDULE OF LOCATIONS AND VALUES** does not contain information on stated values. In either scenario, our liability is limited by those values.

In the event of each loss hereunder, our liability will be determined as follows:

- a. For each individually stated Coverage Item involved in the loss, we will determine the least of:
- The actual adjusted amount of loss;
  - The stated value for the Coverage Item, as shown on the **SCHEDULE OF LOCATIONS AND VALUES**, or Statement of Values made part of this policy if the **SCHEDULE OF LOCATIONS AND VALUES** does not contain information on values;
  - The applicable Sub-Limit of Insurance shown in **A.1., LIMITS OF INSURANCE** above.

This is the amount of our liability for the individually stated Coverage Item involved, subject to the further limitations below:

- b. We will apply the deductible(s) in accordance with the terms and conditions of this policy.
- c. If this policy is excess, the loss recognized by this policy for all Coverage Items involved in a single "loss occurrence" will be reduced by the amount of the applicable underlying limits.
- d. Our liability is always limited by the applicable Limit of Insurance, as described in **A.1., LIMITS OF INSURANCE** above, including any applicable Sub-Limits of Insurance, as well as any applicable Limit of Insurance otherwise endorsed onto this policy.

#### **EXAMPLE -**

The coverages and amounts shown in the example may not be applicable to your policy. They are being used only to provide you with an example of how to calculate our liability.

Two locations suffer loss from a Covered Cause of Loss. Each location has one Building:

Location #1, Building #1 - The individually Stated Value of the Building Coverage Item is \$800,000 and the individually Stated Value of the Business Income Coverage Item is \$200,000

The total adjusted loss at Location #1, Building #1 = \$805,000 in Building damage and \$150,000 for Business Income loss.

Location #2, Building #1 – The individually Stated Value of the Building Coverage Item is \$550,000 and individually Stated Value of the Business Income Coverage Item is \$25,000.

The total adjusted loss at Location #2, Building #1 = \$250,000 in Building damage and \$26,000 for Business Income Loss.

Limit of Insurance for the Covered Cause of Loss = \$1,575,000

Step 1: Determine the liability for the building Coverage Item at Location #1, Building #1. Liability is limited to \$800,000 as the stated value is less than the adjusted amount of the loss.

Step 2: Determine the liability for the Business Income Coverage Item at Location #1, Building #1. Liability is limited to \$150,000 as the adjusted amount of the loss is less than the stated value.

Step 3: Determine the liability for the building Coverage Item at Location #2, Building #1. Liability is limited to \$250,000 as the adjusted amount of the loss is less than the stated value.

Step 4: Determine the liability for the Business Income Coverage Item at Location #2, Building #1. Liability is limited to \$25,000 as the stated value is less than the adjusted amount of the loss.

The most we will pay is \$1,225,000, less applicable deductibles, as this amount is less than the Limits of Insurance of \$1,575,000.

#### **B. COVERAGE**

For any location scheduled in **E. SCHEDULE OF LOCATIONS AND VALUES**, we provide coverage for the scheduled Coverage Item(s), for an amount not to exceed the stated value. Coverage is provided in accordance with the terms and conditions of this policy including but not limited to applicable deductibles. Terms and conditions that apply only to individual endorsements are set forth in those endorsements or in **C. SPECIFIC ENDORSEMENT INFORMATION** below. This policy provides coverage on a Replacement Cost basis for Building and Contents unless Actual Cash Value is endorsed on the policy.

#### **C. SPECIFIC ENDORSEMENT INFORMATION**

**DATE ISSUED: 01/30/2024**

**UND 1210 (09-16)**

Form Name	Form Number	Fill In
ADDITIONAL COVERAGE - ORDINANCE OR LAW	UND 1227	Combined Limit of Insurance Coverage B and C: \$2,663,100

#### D. DEDUCTIBLES

All claims for loss or damage arising out of a single "loss occurrence" will be adjusted as one claim, and we will then be liable for the excess of the percentage(s) or amount(s) shown below, but in no event to exceed the applicable Limits of Insurance. If two or more causes of loss covered by this policy contribute to a single "loss occurrence", the total deductible will be the largest deductible applicable.

For application of Deductibles refer to section **B. DEDUCTIBLE CLAUSE** and section **G. 13. Stated Values** provision in the **DIFFERENCE IN CONDITIONS COVERAGE FORM**.

1. Loss resulting from "Earthquake":  
 In any one "loss occurrence": 10.00%  
 Subject to a minimum per "loss occurrence": \$50,000  
 The Deductible applies: per unit

2. Loss resulting from "Flood":  
 In any one "loss occurrence": N/A  
 The Deductible applies: N/A

3. Loss resulting from All Other Covered Causes of Loss:  
 In any one "loss occurrence": \$25,000  
 The Deductible applies: per "loss occurrence"

#### E. SCHEDULE OF LOCATIONS AND VALUES

Each value stated below is the most we will pay for loss or damage for each stated Coverage Item, subject to the further limitations set forth in Section **A. LIMITS OF INSURANCE**, and subject to Section **B. DEDUCTIBLE CLAUSE** in the **DIFFERENCE IN CONDITIONS COVERAGE FORM**.

Each Coverage Item listed below will be considered a separate Unit of Insurance as it relates to Section **B. DEDUCTIBLE CLAUSE** in the **DIFFERENCE IN CONDITIONS COVERAGE FORM** except with respect to building values which are not individually stated for each separate building.

Per Section **G.13 Stated Values** provision in the **DIFFERENCE IN CONDITIONS COVERAGE FORM**, if at the time of the "loss occurrence", there is no value stated below for each individual building at a scheduled location, the stated value for each building will be determined by multiplying the total reported value of all buildings by the proportion that the square footage of the individual building bears to the total square footage of all buildings. The resulting apportioned values will be considered the stated value for the individual building. The apportioned value will be considered **a)** a separate Unit of Insurance for deductible calculations as specified in Section **B. DEDUCTIBLE CLAUSE**; and **b)** the stated value with respect to the Limits of Insurance as specified in Section **A.2., LIMITS OF INSURANCE** in the Declarations.

# DIFFERENCE IN CONDITIONS COVERAGE FORM

Various Provisions in this policy restrict coverage. Read the entire policy carefully to determine rights, duties and what is and is not covered.

Throughout this policy the words "you" and "your" refer to the Named Insured shown in the Declarations. The words "we", "us" and "our" refer to the Company providing this insurance.

Other words and phrases that appear in quotation marks have special meaning. Refer to Section I., **DEFINITIONS**.

## A. COVERAGE

In return for your payment of the required premium, we will pay for accidental direct physical loss or damage to Covered Property at the locations described in the Declarations caused by or resulting from a Covered Cause of Loss first commencing during the Policy Period. A Covered Cause of Loss means direct physical loss unless the loss is excluded in Sections C., **PROPERTY EXCLUDED** or D., **CAUSES OF LOSS EXCLUDED**, or excluded or limited in the Declarations or by endorsement.

### 1. Covered Property

a. **Building**, meaning the building or structure described in the Declarations, including:

- (1) Completed additions;
- (2) Fixtures, including outdoor fixtures;
- (3) Permanently installed:
  - (a) Machinery; and
  - (b) Equipment;
- (4) Personal property owned by you that is used to maintain or service the building or structure or its premises, including:
  - (a) Fire-extinguishing equipment;
  - (b) Outdoor furniture;
  - (c) Floor coverings; and
  - (d) Appliances used for refrigerating, ventilating, cooking, dishwashing or laundering;
- (5) If not covered by other insurance:
  - (a) Additions under construction, alterations and repairs to buildings or structures at the locations described in the Declarations. An addition does not include new construction of any separate building or structure;
  - (b) Materials, equipment, supplies and temporary structures, on or within 100 feet of the described location, used for making additions, alterations or repairs to the building or structure.

b. **Contents**, meaning furniture, fixtures, machinery and equipment being property belonging to you, or such properties of others in your care, custody or control and for which you are liable in the event of a direct physical loss.

- c. **"Stock"**, including "stock" of others in your care, custody or control and for which you are liable in the event of a direct physical loss.
- d. **Tenant's Improvements and Betterments**, meaning fixtures, alterations, installations or additions:
  - (1) Made a part of the building you occupy but do not own; and
  - (2) You acquired or made at your expense but cannot legally remove.

## 2. Additional Coverages

### a. Debris Removal

- (1) Subject to Paragraph (3) below, we will pay your expense to remove debris of Covered Property caused by or resulting from a Covered Cause of Loss that occurs during the Policy Period. The expenses will be paid only if they are reported to us in writing within 180 days of the date of direct physical loss or damage.
- (2) Debris Removal does not apply to costs to remove debris caused by an excluded cause of loss.
- (3) Subject to the exceptions in Paragraph (4), the following provisions apply:
  - (a) The most we will pay for the total of direct physical loss or damage plus debris removal expense is the Limit of Insurance applicable to the Covered Property, as specified in Section **A. 2., LIMITS OF INSURANCE** in the Declarations, that has sustained loss or damage.
  - (b) Subject to (a) above, the amount we will pay for debris removal expense is limited to 25% of the amount that we pay for direct physical loss or damage to the Covered Property that has sustained loss or damage.
- (4) We will not be liable under this policy for:
  - (a) Any greater proportion of such expense than the amount of insurance hereunder bears to the total amount of all insurance, whether all such insurance contains this clause or not.
  - (b) Loss occasioned by the enforcement of any state or municipal law or ordinance which necessitates the demolition of any portion of the building which has not suffered loss by any Covered Cause of Loss unless such liability is otherwise specifically insured by this policy.

### b. Limited Coverage for "Fungus", Wet Rot, Dry Rot and Bacteria

- (1) The coverage described in **A.2.b.(2)** only applies when the "fungus", wet or dry rot or bacteria is the result of a Covered Cause of Loss that occurs during the Policy Period and only if all reasonable means were used to save and preserve the property from further damage at the time of and after that occurrence.
- (2) The amount of \$5,000 is the most we will pay for loss or damage by "fungus", wet or dry rot or bacteria. As used in this Limited Coverage, the term loss or damage means:
  - (a) Direct physical loss or damage to Covered Property caused by "fungus", wet or dry rot or bacteria, including the cost of removal of the "fungus", wet or dry rot or bacteria;
  - (b) The cost to tear out and replace any part of the building or other property as needed to gain access to the "fungus", wet or dry rot or bacteria; and

- (c) The cost of testing performed after removal, repair, replacement or restoration of the damaged property is completed, provided there is a reason to believe that "fungus", wet or dry rot or bacteria are present.
- (3) The coverage described under **b.(2)** of this Limited Coverage is limited to \$5,000. Regardless of the number of claims, this limit is the most we will pay for the total of all loss or damage arising out of all occurrences of Covered Causes of Loss which take place during the Policy Period. With respect to a particular occurrence of loss which results in "fungus", wet or dry rot or bacteria, we will not pay more than a total of \$5,000 even if the "fungus", wet or dry rot or bacteria continues to be present or active, or recurs, in a later Policy Period.
- (4) The coverage provided under this Limited Coverage does not increase the applicable Limits of Insurance on any Covered Property. If a particular occurrence results in loss or damage by "fungus", wet or dry rot or bacteria, and other loss or damage, we will not pay more, for the total of all loss or damage, than the applicable Limits of Insurance on the affected Covered Property, as specified in Section **A. 2., LIMITS OF INSURANCE** in the Declarations.

If there is covered loss or damage to Covered Property, not caused by "fungus", wet or dry rot or bacteria, loss payment will not be limited by the terms of this Limited Coverage, except to the extent that "fungus", wet or dry rot or bacteria causes an increase in the loss. Any such increase in the loss will be subject to the terms of this Limited Coverage.

Increase in loss or damage as used in this Limited Coverage means any loss, damage, cost or expense resulting from the presence, treatment, removal or disposal of "fungus", wet or dry rot or bacteria as excluded in this policy.

#### **c. Limited Coverage for Land Stabilization and Building Foundations**

- (1) We will pay your expenses, including engineering costs, to replace, stabilize or restore the land that supports the damaged Building when necessary in order to repair the Building which has suffered structural damage. The structural damage to the Building must be directly caused by the perils of either "earthquake" or flood. This Limited Coverage is then only provided if a limit is shown in the Declarations for the peril that caused the structural damage.

The Limited Coverage under this subsection **c.(1)** only applies if:

- (a) the stabilization or restoration is required in order to repair damage to the damaged Building located directly upon that land; and
- (b) the damage to land is the result of "earthquake", or flood if endorsed onto this policy.

This Limited Coverage does not apply to costs to stabilize or restore land if the land damage is caused by an excluded cause of loss.

We do not provide any other coverage for land, land damage or landscaping.

- (2) We will pay your expenses to repair or replace Building foundations when required in order to repair the Building which has suffered structural damage. The structural damage to the Building must be directly caused by the perils of either "earthquake" or flood. This Limited Coverage is then only provided if a limit is shown in the Declarations for the peril that caused the structural damage.

The Limited Coverage under this subsection **c.(2)** only applies if:

- (a) the repair or replacement of Building foundations is required in order to repair damage to the damaged Building located directly upon those foundations; and

Includes copyrighted material of Insurance Services  
Office, Inc., with its permission.

© ISO Properties, Inc., 2007

Includes copyrighted material of Insurance  
Company of the West © 2015

(b) the damage to foundations is the result of “earthquake”, or flood if endorsed onto this policy.

This Limited Coverage does not apply to expenses to repair or replace Building foundations if the damage to the Building is caused by an excluded cause of loss.

As used in this Limited Coverage, Building foundations means the foundations of buildings, machinery or boilers if their foundations are below:

- a. the lowest basement floor; or
- b. the surface of the ground, if there is no basement;

The amount of \$5,000 is the most we will pay for Land Stabilization and Building Foundations under this Limited Coverage. Regardless of the number of claims, this limit is the most we will pay for the total of all loss or damage arising out of all “loss occurrences” caused by “earthquake” or flood which take place during the Policy Period.

Structural damage to the Building must exceed the deductible in order for this Limited Coverage to apply.

The expenses for land stabilization and/or Building foundations will be paid only if they are reported to us in writing within 180 days of the date of direct physical loss or damage.

Payments made for coverage under this Limited Coverage for Land Stabilization and Building Foundations are within the Limits of Insurance and will not serve to increase our Limits of Insurance shown in the Declarations.

## B. DEDUCTIBLE CLAUSE

All claims for loss or damage arising out of a single “loss occurrence” will be adjusted as one claim, and we will then be liable for the excess of the percentage(s) or amount(s) shown in the Declarations, but in no event to exceed the applicable Limits of Insurance shown in the Declarations. If two or more causes of loss covered by this policy contribute to a single “loss occurrence”, the total deductible will be the largest deductible applicable.

### a. Per Unit of Insurance

When “Per Unit” is indicated in the Declarations, your deductible is calculated separately for, and applies separately to each Unit of Insurance. Each separate Coverage Item described in Section **E. SCHEDULE OF LOCATIONS AND VALUES** in the Declarations is considered a separate Unit of Insurance. The deductible is calculated by multiplying the deductible percentage separately to the stated value of each Unit of Insurance.

#### EXAMPLE – APPLICATION OF PER UNIT OF INSURANCE DEDUCTIBLE

The coverages and amounts shown in the example may not be applicable to your policy. They are being used only to provide you with an example.

One location with one Building:

Building #1 - The total stated value of the Building is \$800,000, Contents is \$700,000 and Business Income is \$200,000

The total adjusted loss at Building #1 = \$100,000 in Building damage, \$600,000 in Contents damage and \$150,000 for Business Income loss.

Deductible = 10%

Includes copyrighted material of Insurance Services  
Office, Inc., with its permission.

© ISO Properties, Inc., 2007

Includes copyrighted material of Insurance  
Company of the West © 2015

Step 1: Building deductible =  $\$800,000 \times 10\% = \$80,000$

Step 2: Contents deductible =  $\$700,000 \times 10\% = \$70,000$

Step 3: Business Income deductible =  $\$200,000 \times 10\% = \$20,000$

Step 4: Building damage less deductible =  $\$100,000 - \$80,000 = \$20,000$

Step 5: Contents damage less deductible =  $\$600,000 - \$70,000 = \$530,000$

Step 6: Business Income loss less deductible =  $\$150,000 - \$20,000 = \$130,000$

The most we will pay is \$680,000. That portion of the total adjusted loss not covered due to the application of the deductibles is \$170,000.

#### **b. Per Location**

When "Per Location" is indicated in the Declarations, your deductible is calculated separately for, and applies separately to each location stated in Section **E. SCHEDULE OF LOCATIONS AND VALUES** in the Declarations. The deductible is calculated by multiplying the deductible percentage to the sum of the collective values for all Coverage Items associated with each location stated in Section **E. SCHEDULE OF LOCATIONS AND VALUES** of the Declarations, regardless of whether such Coverage Items incurred loss or damage.

#### **EXAMPLE – APPLICATION OF PER LOCATION DEDUCTIBLE**

The coverages and amounts shown in the example may not be applicable to your policy. They are being used only to provide you with an example.

Two locations with two Buildings at location #1 and one building at location #2:

Location #1, Building #1 - The total stated value of the Building, Contents and Business Income is \$1,920,000. The total adjusted loss for Building, Contents and Business Income at Building #1 = \$1,000,000

Location #1, Building #2 - The total stated value of the Building, Contents and Business Income is \$140,000. The total adjusted loss for Building, Contents and Business Income at Building #2 = \$30,000

Location #2, Building #1 – The total stated value of the Building, Contents and Business Income is \$900,000. The total adjusted loss for Building, Contents and Business Income at Location #2 = \$200,000

Deductible = 10%

Step 1: Total adjusted loss at Location #1 = Building #1 loss plus Building #2 loss =  $\$1,000,000 + \$30,000 = \$1,030,000$

Step 2: Total adjusted loss at Location #2 = \$200,000

Step 3: Deductible applied to Location #1 = stated value at Building #1 plus the stated value at Building #2 =  $(\$1,920,000 + \$140,000) \times 10\% = \$206,000$

Step 4: Deductible applied to Location #2 = stated value of Location #2 =  $\$900,000 \times 10\% = \$90,000$

Step 5: Location #1 loss minus deductible =  $\$1,030,000 - \$206,000 = \$824,000$

Step 6: Location #2 loss minus deductible =  $\$200,000 - \$90,000 = \$110,000$

The most we will pay is \$934,000. That portion of the total adjusted loss not covered due to the application of the deductible is \$296,000.

**c. Per Policy**

When "Per Policy" is indicated in the Declarations, your deductible is calculated by multiplying the deductible percentage to the sum of the collective values for all Coverage Items stated in Section **E. SCHEDULE OF LOCATIONS AND VALUES** in the Declarations, regardless of whether such Coverage Items incurred loss or damage.

**EXAMPLE – APPLICATION OF PER POLICY DEDUCTIBLE**

The coverages and amounts shown in the example may not be applicable to your policy. They are being used only to provide you with an example.

Two locations with one Building at each location:

Location #1 - The total stated value of the Building, Contents and Business Income is \$2,000,000.

The total adjusted loss for Building, Contents and Business Income at Location #1 = \$1,600,000

Location #2 – The total stated value of the Building, Contents and Business Income is \$400,000.

The total adjusted loss for Building, Contents and Business Income at Location #2 = \$0

Deductible = 10%

Step 1:  $\$2,000,000 + \$400,000 = \$2,400,000$  (total Policy values for all Coverage Items)

Step 2: Deductible applied to the policy =  $\$2,400,000 \times 10\% = \$240,000$

Step 3: Loss minus deductible =  $\$1,600,000 - \$240,000 = \$1,360,000$

The most we will pay is \$1,360,000. That portion of the total adjusted loss not covered due to the application of the deductible is \$240,000.

If we and you disagree on the values of the property or the amount of loss, either may make written demand for an appraisal of the loss. In this event, each party will select a competent and impartial appraiser. The two appraisers will select an umpire. If they cannot agree, either may request that selection be made by a judge of a court having jurisdiction. The appraisers will state separately the value of the property and amount of loss. - (4) Take all reasonable steps to protect the Covered Property from further damage, and keep a record of your expenses necessary to protect the Covered Property, for consideration in the settlement of the claim. This will not increase the Limits of Insurance. However, we will not pay for any subsequent loss or damage resulting from a cause of loss that is not a Covered Cause of Loss. Also, if feasible, set the damaged property aside and in the best possible order for examination.

No insured will, except at that insured's own cost, voluntarily make a payment, assume any obligation, or incur any expense, without our written consent.

- (5) At our request, give us complete inventories of the damaged and undamaged property. Include quantities, costs, values and amount of loss claimed.
- (6) As often as may be reasonably required, permit us to inspect the property proving the loss or damage and examine your books and records.

Also permit us to take samples of damaged and undamaged property for inspection, testing and analysis, and permit us to make copies from your books and records.

- (7) Send us a signed, sworn proof of loss containing the information we request to investigate the claim. You must do this within 60 days after our request.

#### 6. Loss Clause

Following an "earthquake" or flood loss, we have the option but not the duty of reinstating the Limits of Insurance shown in the Declarations for "earthquake" and flood, for an additional premium.

#### 7. Loss Payment

- a. In the event of loss or damage covered by this policy, at our option, we will either:

- (1) Pay the value of lost or damaged property;
- (2) Pay the cost of repairing or replacing the lost or damaged property, subject to **b.** below;
- (3) Take all or any part of the property at an agreed or appraised value; or
- (4) Repair, rebuild or replace the property with other property of like kind and quality, subject to **b.** below.

We will determine the value of lost or damaged property, or the cost of its repair or replacement, in accordance with the applicable terms of paragraph **G.14 Valuation** Condition in this policy or any applicable provision which amends or supersedes the terms of paragraph **G.14 Valuation** Condition.

- b. The cost to repair, rebuild or replace does not include the increased cost attributable to enforcement of any ordinance or law regulating the construction, use or repair of any property.
- c. We will give notice of our intentions within 30 days after we receive the sworn proof of loss.
- d. We will not pay you more than your financial interest in the Covered Property.

- e. We may adjust losses with the owners of lost or damaged property if other than you. If we pay the owners, such payments will satisfy your claims against us for the owners' property. We will not pay the owners more than their financial interest in the Covered Property.
- f. We may elect to defend you against suits arising from claims of owners of property. We will do this at our expense.
- g. We will pay for covered loss or damage within 30 days after we receive the sworn proof of loss, if you have complied with all of the terms of this policy and:
  - (1) We have reached agreement with you on the amount of loss; or
  - (2) An appraisal award has been made.
- h. A party wall is a wall that separates and is common to adjoining buildings that are owned by different parties. In settling covered losses involving a party wall, we will pay a proportion of the loss to the party wall based on your interest in the wall in proportion to the interest of the owner of the adjoining building. However, if you elect to repair or replace your building and the owner of the adjoining building elects not to repair or replace that building, we will pay you the full value of the loss to the party wall, subject to all applicable policy provisions including Limits of Insurance, paragraph **G.14. Valuation** Conditions and all other provisions of this **Loss Payment** Condition. Our payment under the provisions of this paragraph does not alter any right of subrogation we may have against any entity, including the owner or insurer of the adjoining building, and does not alter the terms of paragraph **H.6. Transfer Of Rights Of Recovery Against Others To Us** Condition in this policy.

#### 8. Other Insurance

Pursuant to Section **D., CAUSES OF LOSS EXCLUDED**, exclusion **1.b.**, this policy does not provide coverage for any loss covered under standard all risk insurance as warranted under paragraph **F.7., All Risk Warranty** of Section **F. OTHER POLICY CONDITIONS**. Only if you have other insurance subject to the same plan, terms, conditions and provisions as the insurance under this policy, will we pay our share of the covered loss or damage. Our share is the proportion that the applicable Limits of Insurance under this policy bears to the Limits of Insurance of all insurance covering on the same basis.

#### 9. Pair, Set Or Parts

##### a. Pair or Set

In case of loss or damage to any part of a pair or set we may:

- (1) Repair or replace any part to restore the pair or set to its value before the loss; or
- (2) Pay the difference between the value of the pair or set before and after the loss.

##### b. Parts

In case of loss or damage to any part of Covered Property consisting of several parts when complete, we will only pay for the value of the lost or damaged part.

#### 10. Records and Inventory

You will keep accurate books, records and accounts in the following manner:

A detailed and itemized inventory record of all property covered hereunder will be maintained and physical inventory will be taken periodically at intervals not more than 12 months apart.

#### 11. Recovered Property

If either you or we recover any property after loss settlement, that party must give the other prompt notice. At your option, the property will be returned to you. You must then return to us the amount we paid to you for the property. We will pay recovery expenses and the expenses to repair the recovered property, subject to the Limits of Insurance.

## 12. Single Loss Clause

It is agreed that “earthquakes” can occur in a sequence, a series, or a cluster and involve multiple shocks, including foreshocks, mainshocks and aftershocks. With respect to a “loss occurrence” occasioned by “earthquake”, all loss or damage attributable to such “earthquake” shocks that occur within 168 consecutive hours during the Policy Period will be considered a single “loss occurrence”. The 168 hours will commence at the time of the earliest “earthquake” shock. However, we will not be liable for any loss caused by any “earthquake” shock occurring before the effective date and time of this policy, nor for any loss occurring after the expiration date and time of this policy.

## 13. Stated Values

The stated values of all Coverage Items are represented by the values shown in Section **E. SCHEDULE OF LOCATIONS AND VALUES** in the Declarations. If, at the time of the “loss occurrence”, there is no value stated in Section **E. SCHEDULE OF LOCATIONS AND VALUES** for each individual building at a scheduled location, the stated value for each building will be determined by multiplying the total reported value of all buildings by the proportion that the square footage of the individual building bears to the total square footage of all buildings contemplated in the total reported building value.

The square footage of each separate building will be estimated or ascertained after a “loss occurrence” as necessary. The resulting apportioned values will be considered the stated value for the individual building. The apportioned value will be considered **a)** a separate Unit of Insurance for deductible calculations as specified in Section **B. DEDUCTIBLE CLAUSE**; and **b)** the stated value with respect to the Limits of Insurance as specified in Section **A.2.b. LIMITS OF INSURANCE** in the Declarations.

### EXAMPLE

The following example illustrates how a stated value is calculated under the conditions above. The amounts in the example shown may not be applicable to your policy. They are being used only to provide you with an example.

In this example, the **SCHEDULE OF LOCATIONS AND VALUES** shows three buildings at one location, with total building values for the location of \$7,500,000. Building 1 is 10,000 square feet. Building 2 is 25,000 square feet. Building 3 is 15,000 square feet, as reported on the application or submission or otherwise estimated or ascertained. The total square footage for the location is 50,000 square feet (10,000 plus 25,000 plus 15,000). The policy has a 5% deductible that applies Per Unit of Insurance.

Loc #	Bldg #	Address	Coverage Item	Value
1	Aggregate, 3 buildings	415 Main Street, Springfield, CA 90000	Building	\$ 7,500,000

Step 1: Determine the stated value of each building by multiplying the total reported building value of \$7,500,000 by the proportion that the individual building square footage bears to the total square footage.

Building 1:  $\$7,500,000 \times (10,000/50,000) = \$1,500,000$ .

Building 2:  $\$7,500,000 \times (25,000/50,000) = \$3,750,000$ .

Building 3:  $\$7,500,000 \times (15,000/50,000) = \$2,250,000$ .

Includes copyrighted material of Insurance Services  
Office, Inc., with its permission.

Step 2: Determine applicable deductible by multiplying the deductible percentage of 5% times the stated value of the Coverage Item.

Building 1:  $5\% \times \$1,500,000 = \$75,000$

Building 2:  $5\% \times \$3,750,000 = \$187,500$

Building 3:  $5\% \times \$2,250,000 = \$112,500$

Step 3: Determine the maximum amount payable for each building per Section **A.2.b LIMITS OF INSURANCE** in the Declarations, subject always to the entire provisions of that section.

Building 1: stated value minus deductible:  $\$1,500,000 - \$75,000 = \$1,425,000$

Building 2: stated value minus deductible:  $\$3,750,000 - \$187,500 = \$3,562,500$

Building 3: stated value minus deductible:  $\$2,250,000 - \$112,500 = \$2,137,500$

#### 14. Valuation

We will determine the value of Covered Property in the event of loss or damage as follows:

- a. At Replacement Cost (without deduction for depreciation);
- b. Replacement cost does not apply to:
  - (1) Personal property of others;
  - (2) Contents of a residence;
  - (3) Antiques, objects of art, sculpture, property of artistic, historical or scientific significance whether or not constituting part of the covered buildings; or any item scheduled under a Fine Arts or other scheduled property floater;
  - (4) "Stock", unless the "stock" is a listed Coverage Item with a corresponding stated value in Section **E. SCHEDULE OF LOCATIONS AND VALUES** in the Declarations;
  - (5) Manuscripts; or
  - (6) Any item covered under the Additional Coverage Valuable Papers and Records Endorsement, when attached to and made a part of this policy.

The items listed under **b.** above will be valued at actual cash value, meaning replacement cost minus depreciation unless defined differently by applicable state law, as of the time of loss or damage.

Under the terms of this **Valuation LOSS CONDITION**, Tenant's Improvements and Betterments are not considered to be the personal property of others.

- c. You may make a claim for loss or damage covered by this insurance on an actual cash value basis instead of on a replacement cost basis. In the event you elect to have loss or damage settled on an actual cash value basis, you may still make a claim for the replacement cost valuation if you notify us of your intent to do so within 180 days after the loss or damage.
- d. We will not pay on a replacement cost basis for any loss or damage:
  - (1) Until the lost or damaged property is actually repaired or replaced; and
  - (2) Unless the repairs or replacement are made as soon as reasonably possible after the loss or damage.

With respect to Tenant's Improvements and Betterments, the following also apply:

- (3) If the conditions in **d.(1)** and **d.(2)** above are not met, the value of Tenant's Improvements and Betterments will be determined as a proportion of your original cost. We will determine the proportionate value as follows:
- (a) Multiply the original cost by the number of days from the loss or damage to the expiration of the lease; and
  - (b) Divide the amount determined in (a) above by the number of days from the installation of improvements to the expiration of the lease.
- If your lease contains a renewal option, the expiration of the renewal option period will replace the expiration of the lease in this procedure.
- (4) We will not pay for loss or damage to Tenant's Improvements and Betterments if others pay for repairs or replacement.
- e. We will not pay more for loss or damage on a replacement cost basis than the least of (1), (2) or (3) below, subject to f. below:
- (1) The Limit of Insurance applicable to the lost or damaged property as described in **A.2. LIMITS OF INSURANCE** in the Declarations;
  - (2) The cost to replace the lost or damaged property with other property:
    - (a) Of comparable material and quality; and
    - (b) Used for the same purpose; or
  - (3) The amount actually spent that is necessary to repair or replace the lost or damaged property.
- If a building is rebuilt at a new location, the cost described in this paragraph e. is limited to the cost which would have been incurred if the building had been rebuilt at the original location.
- f. The cost of repair or replacement does not include the increased cost attributable to enforcement of or compliance with any ordinance or law regulating the construction, use or repair of any property.

## **H. ADDITIONAL CONDITIONS**

In the event of any loss of or damage to the property covered hereunder you will immediately make claim in writing against the carrier(s), bailee(s) or others involved.

**6. Transfer Of Rights Of Recovery Against Others To Us**

If any person or organization to or for whom we make payment under this policy has rights to recover damages from another, those rights are transferred to us to the extent of our payment. That person or organization must do everything necessary to secure our rights and must do nothing after loss to impair them. But you may waive your rights against another party in writing:

## **2. Additional Coverages**

The following additional coverages paragraphs **a.** through **e.** do not apply unless this policy has made payment for direct physical loss to Covered Property, after application of the deductible as described in Section **D. DEDUCTIBLES** in the Declarations, including the applicable minimum per "loss occurrence" deductible.

### **a. Architectural and Engineering Costs**

We will pay for the cost or expense for you to hire architects and/or engineers for services related to the repair, replacement, or reconstruction of buildings described in the Declarations and damaged directly by "earthquake". The loss or damage to the buildings must occur during the Policy Period. The most we will pay for architectural and engineering costs is \$25,000 for all "loss occurrences" in any one Policy Period, regardless of the number of buildings involved. Payments made for coverage provided under this paragraph **a.** are within the Limits of Insurance and will not serve to increase our Limits of Insurance described in the Declarations.

### **b. Electronic Data Processing Equipment**

We will pay for the cost to repair or replace, with property of like kind and quality and substantially similar functionality, your "electronic data processing equipment" that has been damaged or destroyed. The most we will pay for loss to "electronic data processing equipment" is \$30,000 for all loss or damage sustained in any one Policy Period, regardless of the number of buildings or locations involved. Payments made for coverage provided under this paragraph **b.** are within the Limits of Insurance and will not serve to increase our Limits of Insurance described in the Declarations.

### **c. Electronic Data**

Includes copyrighted material of Insurance Services Office, Inc., with its permission.  
© ISO Properties, Inc., 2007

We will pay for the cost to replace or restore your “electronic data” which has been destroyed or corrupted. To the extent that “electronic data” is not replaced or restored, the loss will be valued at the cost of replacement of the media on which the “electronic data” was stored, with blank media of substantially identical type. The most we will pay for loss to “electronic data” is \$30,000 for all loss or damage sustained in any one Policy Period, regardless of the number of buildings, locations or computer systems involved. Payments made for coverage provided under this paragraph **c.** are within the Limits of Insurance and will not serve to increase our Limits of Insurance described in the Declarations.

**d. Valuable Papers and Records**

We will pay the cost to replace or restore the lost information on “valuable papers and records” that are your property or property of others in your care, custody or control, for which duplicates do not exist. The most we will pay for loss to “valuable papers and records” is \$10,000 for all loss or damage sustained in any one Policy Period, regardless of the number of buildings or locations involved. Payments made for coverage provided under this paragraph **d.** are within the Limits of Insurance and will not serve to increase our Limits of Insurance described in the Declarations.

**e. Security**

We will pay for the cost or expense necessary for you to hire additional security personnel to guard the insured location because of a loss insured against under this policy. The most we will pay for security is \$30,000 for all “loss occurrences” in any one Policy Period, regardless of the number of buildings or locations involved. Payments made for coverage provided under this paragraph **e.** are within the Limits of Insurance and will not serve to increase our Limits of Insurance described in the Declarations.

**f. Debris Removal**

- (1) Subject to Paragraph (3) below, we will pay your expense to remove debris of Covered Property caused by or resulting from a Covered Cause of Loss that occurs during the policy period. The expenses will be paid only if they are reported to us in writing within 180 days of the date of direct physical loss or damage.
- (2) Debris Removal does not apply to costs to remove debris caused by an excluded cause of loss.
- (3) Subject to the exceptions in Paragraph (4), the following provisions apply:
  - (a) The most we will pay for the total of direct physical loss or damage plus debris removal expense is the Limit of Insurance applicable to the Covered Property, as specified in Section **A. 2., LIMITS OF INSURANCE** in the Declarations, that has sustained loss or damage.
  - (b) Subject to (a) above, the amount we will pay for debris removal expense is limited to 25% of the amount that we pay for direct physical loss or damage to the Covered Property that has sustained loss or damage.
- (4) We will not be liable under this policy for:
  - (a) Any greater proportion of such expense than the amount of insurance hereunder bears to the total amount of all insurance, whether all such insurance contains this clause or not.
  - (b) Loss occasioned by the enforcement of any state or municipal law or ordinance which necessitates the demolition of any portion of the building which has not suffered loss by any Covered Cause of Loss unless such liability is otherwise specifically insured by this policy.

**g. Limited Coverage for “Fungus”, Wet Rot, Dry Rot and Bacteria**

- (1) The coverage described in paragraph (2) below only applies when the "fungus", wet or dry rot or bacteria is the result of a Covered Cause of Loss that occurs during the Policy Period and only if all reasonable means were used to save and preserve the property from further damage at the time of and after that occurrence.
- (2) The amount of \$5,000 is the most we will pay for loss or damage by "fungus", wet or dry rot or bacteria. As used in this Limited Coverage, the term loss or damage means:
  - (a) Direct physical loss or damage to Covered Property caused by "fungus", wet or dry rot or bacteria, including the cost of removal of the "fungus", wet or dry rot or bacteria;
  - (b) The cost to tear out and replace any part of the building or other property as needed to gain access to the "fungus", wet or dry rot or bacteria; and
  - (c) The cost of testing performed after removal, repair, replacement or restoration of the damaged property is completed, provided there is a reason to believe that "fungus", wet or dry rot or bacteria are present.
- (3) The coverage described under g.(2) of this Limited Coverage is limited to \$5,000. Regardless of the number of claims, this limit is the most we will pay for the total of all loss or damage arising out of all occurrences of loss caused by Covered Causes of Loss which take place during the Policy Period. With respect to a particular occurrence of loss which results in "fungus", wet or dry rot or bacteria, we will not pay more than a total of \$5,000 even if the "fungus", wet or dry rot or bacteria continues to be present or active, or recurs, in a later Policy Period.
- (4) The coverage provided under this Limited Coverage does not increase the applicable Limits of Insurance on any Covered Property. If a particular occurrence results in loss or damage by "fungus", wet or dry rot or bacteria, and other loss or damage, we will not pay more, for the total of all loss or damage, than the applicable Limits of Insurance on the affected Covered Property, as specified in Section A. 2., **LIMITS OF INSURANCE** in the Declarations.

If there is covered loss or damage to Covered Property, not caused by "fungus", wet or dry rot or bacteria, loss payment will not be limited by the terms of this Limited Coverage, except to the extent that "fungus", wet or dry rot or bacteria causes an increase in the loss. Any such increase in the loss will be subject to the terms of this Limited Coverage.

Increase in loss or damage as used in this Limited Coverage means any loss, damage, cost or expense resulting from the presence, treatment, removal or disposal of "fungus", wet or dry rot or bacteria as excluded in this policy.

#### **h. Homeowners Association Fees Receivables**

We will pay for homeowners association fees that you have been unable, after reasonable effort, to collect from the unit owner whose unit must be rendered uninhabitable due to accidental direct physical loss or damage to Covered Property at the locations described in the Declarations caused by or resulting from a Covered Cause of Loss that first commences during the Policy Period. Homeowners association fees include all ordinary Homeowners Association (HOA) dues, but do not include surcharges for building reserves or any special assessments.

This coverage terminates at the earliest of:

- (1) When an individual unit becomes inhabitable;
- (2) You have been paid sums under the policy sufficient to begin repair or replacement of the buildings and choose not to do so; or
- (3) You have been paid the stated value for Homeowners Association Fees described in Section E. **SCHEDULE OF LOCATIONS AND VALUES** in the Declarations.

However, we will not pay for any increased period of restoration of Covered Property required due to the enforcement of any ordinance or law that:

Includes copyrighted material of Insurance Services  
Office, Inc., with its permission.  
© ISO Properties, Inc., 2007

- (1) Regulates the construction, use or repair, or requires the tearing down of any property, unless the Additional Coverage Ordinance Or Law endorsement is attached to and made part of this policy; or
- (2) Requires any insured or others to test for, monitor, clean up, remove, contain, treat, detoxify or neutralize, or in any way respond to, or assess the effects of "pollutants".

If you recover any fees from unit owners for benefits that were paid in whole or in part under this endorsement, you will reimburse those fees to us immediately. You will cooperate with us in the effort to recover unpaid homeowners association fees. You will not waive your right to recover homeowners association fees receivable without our express permission. You agree that we are entitled to an accounting of any fees recovered and/or owed and to cooperate with us in the event we request an accounting.

The most we will pay for this Additional Coverage Homeowners Association Fees Receivables in any one "loss occurrence" is limited to the stated value for Homeowners Association Fees shown in Section **E. SCHEDULE OF LOCATIONS AND VALUES** in the Declarations or Statement of Values made part of this policy if the **SCHEDULE OF LOCATIONS AND VALUES** does not contain information on values. If no stated value is described in the Declarations, there is **no coverage** for Homeowners Association Fees Receivables under this policy. Payments made for coverage provided under this paragraph **h.** are within the Limits of Insurance and will not serve to increase our Limits of Insurance shown in the Declarations. Coverage provided under this paragraph **h.** is subject to the deductible as described in Section **D. DEDUCTIBLES** in the Declarations.

**i. Underground Utilities**

We will pay for loss or damage to underground utilities, meaning underground pipes, flues or drains; including water, gas, electrical, communication and sanitary systems. Unless underground utilities are shown as a separate Coverage Item in Section **E. SCHEDULE OF LOCATIONS AND VALUES** in the Declarations, underground utilities are considered part of the building serviced by the underground utility and are subject to the building limit and the deductible applicable to loss to the building. The most we will pay for any one "loss occurrence" under this Additional Coverage Underground Utilities is the applicable Limit of Insurance described in Section **A.2., LIMITS OF INSURANCE** in the Declarations. Payments made for coverage provided under this paragraph **i.** are within the Limits of Insurance and will not serve to increase our Limits of Insurance shown in the Declarations.

**j. Limited Coverage for Land Stabilization**

We will pay your expenses, including engineering costs, to replace, stabilize or restore the land that supports the damaged Building when necessary in order to repair the Building which has suffered structural damage. The structural damage to the Building must be directly caused by the perils of either "earthquake" or flood. This Limited Coverage is then only provided if a limit is described in the Declarations for the peril that caused the structural damage.

The Limited Coverage under this paragraph **j.** only applies if:

- (1) The stabilization or restoration is required in order to repair damage to the damaged Building located directly upon that land, and
- (2) The damage to land is the result of "earthquake", or flood if endorsed onto this policy.

This Limited Coverage does not apply to costs to stabilize or restore land if the land damage is caused by an excluded cause of loss.

We do not provide any other coverage for land, land damage or landscaping.

The amount of \$5,000 is the most we will pay for Land Stabilization under this Limited Coverage. Regardless of the number of claims, this limit is the most we will pay for the total

of all loss or damage arising out of all "loss occurrences" caused by "earthquake" or flood which take place during the Policy Period.

Structural damage to the Building must exceed the deductible in order for this Limited Coverage to apply.

The expenses for land stabilization will be paid only if they are reported to us in writing within 180 days of the date of direct physical loss or damage.

Payments made for coverage under this Limited Coverage for Land Stabilization are within the Limits of Insurance and will not serve to increase our Limits of Insurance described in the Declarations.

## **B. PROPERTY EXCLUDED**

Item **C.1.**, **PROPERTY EXCLUDED** is amended to read:

1. Accounts, bills, deeds, evidences of debt, currency, money, notes, securities, stamps, original drawings and specifications, letters of credit, passports, or tickets (including lottery tickets);

Items **C.7.**, **C.8.** **C.11.** and **C.26.** **PROPERTY EXCLUDED** are deleted from the **DIFFERENCE IN CONDITIONS COVERAGE FORM**.

## **C. LOSS CONDITIONS**

Section **G.14. Valuation** of **LOSS CONDITIONS** is amended to read:

We will determine the value of Covered Property in the event of loss or damage as follows:

- (a) At Replacement Cost (without deduction for depreciation);
- (b) Replacement cost does not apply to:
  - (1) Personal property of others;
  - (2) Contents of a residence owned by the association;
  - (3) Antiques, objects of art, sculpture, property of artistic, historical or scientific significance whether or not constituting part of the covered buildings; or any item scheduled under a Fine Arts or other scheduled property floater;
  - (4) Manuscripts; or
  - (5) Any item covered under paragraph **A.2.d** Additional Coverage Valuable Papers and Records of this endorsement or the Additional Coverage - Valuable Papers and Records endorsement, when attached to and made a part of this policy.

The items listed under **b.** above will be valued at actual cash value, meaning replacement cost minus depreciation unless defined differently by applicable state law, as of the time of loss or damage.

- (c) You may make a claim for loss or damage covered by this insurance on an actual cash value basis instead of on a replacement cost basis. In the event you elect to have loss or damage settled on an actual cash value basis, you may still make a claim for the replacement cost valuation if you notify us of your intent to do so within 180 days after the loss or damage.
- (d) We will not pay on a replacement cost basis for any loss or damage:
  - (1) Until the lost or damaged property is actually repaired or replaced; and
  - (2) Unless the repairs or replacement are made as soon as reasonably possible after the loss or damage.
- (e) We will not pay more for loss or damage on a replacement cost basis than the least of **(1)**, **(2)** or **(3)** below, subject to **f.** below:
  - (1) The Limit of Insurance applicable to the lost or damaged property as described in **A.2. LIMITS OF INSURANCE** in the Declarations;

Includes copyrighted material of Insurance Services  
Office, Inc., with its permission.

(2) The cost to replace the lost or damaged property with other property:

(a) Of comparable material and quality; and

(b) Used for the same purpose; or

(3) The amount actually spent that is necessary to repair or replace the lost or damaged property.

If a building is rebuilt at a new location, the cost described in this paragraph e. is limited to the cost which would have been incurred if the building had been rebuilt at the original location.

- f. The cost of repair or replacement does not include the increased cost attributable to enforcement of or compliance with any ordinance or law regulating the construction, use or repair of any property.

#### **D. DEFINITIONS**

The following definitions are added to section I. **DEFINITIONS**:

1. "Electronic data processing equipment" meaning computers, servers, networks, mainframes, electronic accounting machines, all supporting machinery, magnetic tapes, discs, cards, drives, blades, and any storage device owned by you, leased to or rented to you.
2. "Electronic data" meaning information, records, files, facts, and all software including operating systems, computer programs, procedures, applications, and source material stored as or on, created or used on, or transmitted to or from computer software (including systems and applications software), on hard or floppy disks, CD-ROMs, tapes, drives, cells, data processing devices or any other repositories of computer software which are used with electronically controlled equipment. The term computer programs means a set of related electronic instructions which direct the operations and functions of a computer or device connected to it, which enable the computer or device to receive, process, store, retrieve or send data. This paragraph does not apply to your "stock" of prepackaged software.
3. "Valuable papers and records" means inscribed, printed or written documents, manuscripts or records, including proprietary information, abstracts, books of account, card index systems, deeds, drawings, films, maps or mortgages. "Valuable papers and records" does not mean money or securities, converted data, programs or instructions used in your data processing operations, including the materials on which the data is recorded. "Valuable papers and records" does not include property that cannot be replaced with other property of like kind and quality, property in storage away from the locations described in the Declarations or records relating to contraband or property in the course of illegal transportation or trade.

**Nothing contained in this endorsement will be held to vary, alter, waive or extend any of the terms, conditions, or limitations of the policy to which this endorsement is attached other than as stated above.**

**THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.**

## **ADDITIONAL COVERAGE - ORDINANCE OR LAW**

**This endorsement modifies insurance provided under the following:**

**DIFFERENCE IN CONDITIONS COVERAGE FORM UND 1211  
EXCESS PROPERTY INSURANCE UND 1414**

### **A. COVERAGE**

Each coverage – **Coverage A**, **Coverage B** and **Coverage C** – is provided under this endorsement only if that Coverage(s) is shown in the Declarations and then only with respect to the buildings for which the coverage is identified in Section **E. SCHEDULE OF LOCATIONS AND VALUES**, or the Statement of Values made part of this policy if the **SCHEDULE OF LOCATIONS AND VALUES** does not contain information on stated values. The coverage provided by this endorsement will not apply unless and until the deductible shown in Section **D. DEDUCTIBLES** in the Declarations has been satisfied and a claim payment is due to you for a covered loss.

#### **1. Coverage A — Coverage For Loss to the Undamaged Portion of the Building**

With respect to the building that has sustained covered direct physical damage, we will pay under Coverage **A** for the loss in value of the undamaged portion of the building as a consequence of enforcement of an ordinance or law that requires the demolition of undamaged parts of the same building.

#### **2. Coverage B — Demolition Cost Coverage**

With respect to the building that has sustained covered direct physical damage, we will pay the cost to demolish and clear the site of undamaged parts of the same building, as a consequence of enforcement of an ordinance or law that requires the demolition of such undamaged property.

#### **3. Coverage C — Increased Cost of Construction Coverage**

With respect to the building that has sustained covered direct physical damage, we will pay the increased cost to:

- a.** Repair or reconstruct damaged portions of that building; and/or
- b.** Reconstruct or remodel undamaged portions of that building, whether or not demolition is required;

when the increased cost is a consequence of enforcement of the minimum requirements of the ordinance or law.

However:

- c.** This coverage applies only if the restored or remodeled property is intended for similar occupancy as the current property, unless such occupancy is not permitted by zoning or land use ordinance or law;
- d.** We will not pay for the increased cost of construction if the building is not repaired, reconstructed or remodeled.

### **B. APPLICATION OF COVERAGE(S)**

Includes copyrighted material of Insurance Services  
Office, Inc., with its permission.

The Coverage(s) provided by this endorsement apply only if both **B.1.** and **B.2** are satisfied and are then subject to the qualifications set forth in **B.3.**

**1. The ordinance or law:**

- a.** Requires the demolition of parts of the undamaged portion of the building at a location described in the Declarations;
- b.** Regulates construction or repair of buildings, or establishes zoning or land use requirements at a location described in the Declarations; and
- c.** Is in force at the time of loss.

But coverage under this endorsement applies only in response to the minimum requirements of the ordinance or law. Losses and costs incurred in complying with recommended actions or standards that exceed actual requirements are not covered under this endorsement.

**2. a. Enforcement Caused By Covered Loss**

The building sustains direct physical damage that is covered under this policy and such damage results in enforcement of the ordinance or law; or

**b. Enforcement Caused By Combination of Covered and Uncovered Loss**

The building sustains both direct physical damage that is covered under this policy and direct physical damage that is not covered under this policy, and both the covered and uncovered damage results in the enforcement of the ordinance or law.

**c. Enforcement Caused By Uncovered Loss**

But if the building sustains direct physical damage that is not covered under this policy, and such damage is the subject of the ordinance or law, then there is no coverage under this endorsement even if the building has also sustained covered direct physical damage.

Under no circumstances will this endorsement cover any property which is excluded under this policy.

- 3.** In the situation described in **B.2.b.** above, we will not pay the full amount of loss otherwise payable under the terms of **Coverages A, B, and/or C**, as described in Section **A. COVERAGE**, of this endorsement. Instead, we will pay a proportion of such loss: meaning the proportion that the covered direct physical building damage bears to the total direct physical building damage.

(Section **H.** of this endorsement provides an example of this procedure.)

However, if the covered direct physical damage, alone, would have resulted in enforcement of the ordinance or law, then we will pay the full amount of loss otherwise payable under the terms of **Coverages A, B and/or C** of this endorsement.

**C. ADDITIONAL EXCLUSIONS**

The following exclusions apply in addition to those indicated in the **DIFFERENCE IN CONDITIONS COVERAGE FORM**. We will not pay under **Coverage A, B, or C** of this endorsement for:

- 1.** Enforcement of any ordinance or law which requires the demolition, repair, replacement, reconstruction, remodeling or remediation of property due to contamination by "pollutants" or due to the presence, growth, proliferation, spread or any activity of "fungus", wet or dry rot or bacteria; or
- 2.** The costs associated with the enforcement of any ordinance or law which requires any insured or others to test for, monitor, clean up, remove, contain, treat, detoxify or neutralize, or in any way respond to, or assess the effects of "pollutants", "fungus", wet or dry rot or bacteria; or

Includes copyrighted material of Insurance Services  
Office, Inc., with its permission.

3. Loss due to any ordinance or law that:
  - a. You were required to comply with before the loss, even if the building was undamaged; and
  - b. You failed to comply with.

#### D. LIMITS OF INSURANCE

1. **Coverage A** is included within the stated value of the building, as shown in the Declarations, sustaining loss from ordinance or law. Loss payment is limited to the amounts described in Sections **E.2** and **E.6** of **LOSS PAYMENTS** of this endorsement. **Coverage A** is not an additional Limit of Insurance.
2. **Coverage B** is payable in addition to the stated value of the building sustaining loss from ordinance or law. Payment for **Coverage B** is subject always to the Limit of Insurance for **Coverage B**, or **Combined** Limit of Insurance for **Coverage B** and **C**, or **Combined** Limit of Insurance for **Coverage A, B** and **C**, shown in the Declarations. This coverage does not increase the Limit of Insurance in Section **A. LIMITS OF INSURANCE** in the Declarations.
3. **Coverage C** is payable in addition to the stated value of the building sustaining loss from ordinance or law. Payment for **Coverage C** is subject always to the Limit of Insurance for **Coverage C**, or **Combined** Limit of Insurance for **Coverage B** and **C**, or **Combined** Limit of Insurance for **Coverage A, B** and **C**, shown in the Declarations. This coverage does not increase the Limit of Insurance in Section **A. LIMITS OF INSURANCE** in the Declarations.

Coverage provided under this endorsement does not increase our Limits of Insurance per "loss occurrence" nor the limit per Policy Period shown in the Declarations, regardless of whether one or more coverages or Covered Causes of Loss insured by this policy are involved in the "loss occurrence".

#### E. LOSS PAYMENTS

1. All following loss payment provisions are subject to the apportionment procedures set forth in Section **B.3.** of this endorsement.
2. Unless Paragraph **E.6.** applies, loss payment under **Coverage A** – Loss to the Undamaged Portion of the Building Coverage will be determined as follows:

When there is a loss in value of an undamaged portion of a building to which **Coverage A** applies, the loss payment for that building, including damaged and undamaged portions, will be determined as follows:

- a. If Replacement Cost Coverage applies and the property is being repaired or replaced, on the same or another location, we will not pay more than the lesser of:
  - (1) The amount you would actually spend to repair, rebuild or reconstruct the building, but not for more than the amount it would cost to restore the building at the same location and to the same height, floor area, style and comparable quality of the original property insured; or
  - (2) The stated value of the building shown in Section **E. SCHEDULE OF LOCATIONS AND VALUES**, or Statement of Values made part of this policy if the **SCHEDULE OF LOCATIONS AND VALUES** does not contain information on stated values.
- b. If Replacement Cost Coverage applies and the property is *not* repaired or replaced, or if the Replacement Cost Coverage does *not* apply, we will not pay more than the lesser of:
  - (1) The actual cash value of the building at the time of loss; or
  - (2) The stated value of the building shown in Section **E. SCHEDULE OF LOCATIONS AND VALUES**, or Statement of Values made part of this policy if the **SCHEDULE OF LOCATIONS AND VALUES** does not contain information on stated values.

Includes copyrighted material of Insurance Services  
Office, Inc., with its permission.

3. Unless Paragraph **E.5.** or **E.6.** applies, loss payment under **Coverage B – Demolition Cost** Coverage will be determined as follows:

We will not pay more than the lesser of the following:

- a. The amount you actually spend to demolish and clear the site of the described location; or
- b. The applicable Limit of Insurance shown for **Coverage B** in the Declarations.

4. Unless Paragraph **E.5.** or **E.6.** applies, loss payment under **Coverage C – Increased Cost of Construction** Coverage will be determined as follows:

- a. We will not pay under **Coverage C**:

- (1) Until the property is actually repaired or replaced, at the same or another location; and
- (2) Unless the repairs or replacement are made as soon as reasonably possible after the loss or damage, not to exceed two years. We may extend this period in writing during the two years.

- b. If the building is repaired or replaced at the same location, or if you elect to rebuild at another location, the most we will pay under **Coverage C** is the lesser of:

- (1) The increased cost of construction at the same location; or
- (2) The applicable Limit of Insurance shown for **Coverage C** in the Declarations.

- c. If the ordinance or law requires relocation to another location, the most we will pay under **Coverage C** is the lesser of:

- (1) The increased cost of construction at the new location; or
- (2) The applicable Limit of Insurance shown for **Coverage C** in the Declarations.

5. If a **Combined** Limit of Insurance is shown for **Coverages B and C** in the Declarations, Paragraphs **E.3.** and **E.4.** of this endorsement do not apply with respect to the building that is subject to the **Combined** Limit, and the following loss payment provisions apply instead:

The most we will pay, for the total of all covered losses for Demolition Cost and Increased Cost of Construction, is the **Combined** Limit of Insurance shown for **Coverages B and C** in the Declarations. Subject to this **Combined** Limit of Insurance, the following loss payment provisions apply:

- a. For Demolition Cost, we will not pay more than the amount you actually spend to demolish and clear the site of the described location.

- b. With respect to the Increased Cost of Construction:

- (1) We will not pay for the increased cost of construction:

- (a) Until the property is actually repaired or replaced, at the same or another location; and

- (b) Unless the repairs or replacement are made as soon as reasonably possible after the loss or damage, not to exceed two years. We may extend this period in writing during the two years.

- (2) If the building is repaired or replaced at the same location, or if you elect to rebuild at another location, the most we will pay for the increased cost of construction is the increased cost of construction at the same location.

- (3) If the ordinance or law requires relocation to another location, the most we will pay for the increased cost of construction is the increased cost of construction at the new location.

6. If a **Combined** Limit of Insurance is shown for **Coverages A, B and C** in the Declarations, Paragraphs **E.2., E.3. and E.4. and E.5.** of this endorsement do not apply with respect to the building that is subject to the **Combined** Limit, and the following loss payment provisions apply instead:

Includes copyrighted material of Insurance Services  
Office, Inc., with its permission.

The most we will pay, for the total of all covered losses for Loss to the Undamaged Portion of the Building, Demolition Cost and Increased Cost of Construction, is the **Combined** Limit of Insurance shown for **Coverages A, B and C** in the Declarations. Subject to this **Combined** Limit of Insurance, the following loss payment provisions apply:

- a. For Loss to the Undamaged Portion of the Building:
  - (1) If Replacement Cost Coverage applies and the property is being repaired or replaced, on the same or another location, we will not pay more than the amount you would actually spend to repair, rebuild or reconstruct the building, but not for more than the amount it would cost to restore the building at the same location and to the same height, floor area, style and comparable quality of the original property insured. However, the loss payment for the undamaged portion of the building combined with the loss payment for the damaged portion of the building will not exceed the stated value of the building as shown in Section **E. SCHEDULE OF LOCATIONS AND VALUES**, or Statement of Values made part of this policy if the **SCHEDULE OF LOCATIONS AND VALUES** does not contain information on stated values;
  - (2) If Replacement Cost Coverage applies and the property is *not* repaired or replaced, or if the Replacement Cost Coverage does *not* apply, we will not pay more than the actual cash value of the building at the time of loss.
- b. For Demolition Cost, we will not pay more than the amount you actually spend to demolish and clear the site of the described location.
- c. For Increased Cost of Construction:
  - (1) We will not pay for the increased cost of construction:
    - (a) Until the property is actually repaired or replaced, at the same or another location; and
    - (b) Unless the repairs or replacement are made as soon as reasonably possible after the loss or damage, not to exceed two years. We may extend this period in writing during the two years.
  - (2) If the building is repaired or replaced at the same location, or if you elect to rebuild at another location, the most we will pay for the increased cost of construction is the increased cost of construction at the same location.
  - (3) If the ordinance or law requires relocation to another location, the most we will pay for the increased cost of construction is the increased cost of construction at the new location.

#### H. EXAMPLE

Example of Proportionate Loss Payment for Ordinance or Law Coverage Losses (procedure as set forth in Section **B.3.** of this endorsement).

Assume:

- Flood is a Covered Cause of Loss; wind is an excluded Cause of Loss.
- The building has a value of \$200,000
- Total direct physical damage to building: \$100,000
- The ordinance or law in this jurisdiction is enforced when building damage equals or exceeds 50% of the building's value
- Portion of direct physical damage that is covered (caused by flood): \$30,000
- Portion of direct physical damage that is not covered (caused by wind): \$70,000
- Loss under Ordinance or Law Coverage **C** of this endorsement: \$60,000

Includes copyrighted material of Insurance Services  
Office, Inc., with its permission.

Step 1:

Determine the proportion that the covered direct physical damage bears to the total direct physical damage.

$$\$30,000 \div \$100,000 = .30$$

Step 2:

Apply that proportion to the Ordinance or Law loss.

$$\$60,000 \times .30 = \$18,000$$

In this example, the most the company will pay under this endorsement for the **Coverage C** loss is \$18,000, subject to the applicable Limit of Insurance and any other applicable provisions.

NOTE: The same procedure applies to losses under **Coverages A** and **B** of this endorsement.

**Nothing contained in this endorsement will be held to vary, alter, waive or extend any of the terms, conditions, or limitations of the policy to which this endorsement is attached other than as stated above.**

**THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.**

## **ALASKA CHANGES – APPRAISAL**

This endorsement modifies insurance provided under the following:

**DIFFERENCE IN CONDITIONS COVERAGE FORM  
EXCESS PROPERTY INSURANCE FORM**

- A.** Except as provided in **B.** below, the **Appraisal** condition is replaced by the following:

If you and we fail to agree on the value of the property or the amount of loss, either may make a written demand for an appraisal of the loss. In this event, within 10 days of the demand, each party will choose a competent appraiser and will notify the other of the appraiser selected. If there is an appraisal, nothing in this section is intended to or shall in any manner limit or restrict the rights of insureds or insurers or confer any rights to an insured or insurer.

- B.** The **Appraisal** condition in:

B. The following is added and supersedes any provision to the contrary:

**NONRENEWAL**

1. If we decide not to renew this policy, we will mail written notice of nonrenewal, by first class mail, to you and the agent or broker of record at least 45 days before:

a. The expiration date; or

2. We need not mail notice of nonrenewal if:

a. We have manifested in good faith our willingness to renew; or

b. The first Named Insured has failed to pay any premium required for this policy; or

c. The first Named Insured fails to pay the premium required for renewal of this policy.

3. Any notice of nonrenewal will be mailed to your last known address and the last known address of the agent or broker of record. A post office certificate of mailing or certified mail receipt will be sufficient proof of mailing of notice.

C. The following Condition is added:

**NOTICE OF PREMIUM OR COVERAGE CHANGES ON RENEWAL**

If the premium to renew this policy increases more than 10% for a reason other than an increase in coverage or exposure basis, or if after the renewal there will be a material restriction or reduction in coverage not specifically requested by the insured, we will mail written notice to your last known address and the last known address of the agent or broker of record at least 45 days before:

1. The expiration date; or

**THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.**

## **ALASKA CHANGES**

**This endorsement modifies insurance provided under the following:**

**DIFFERENCE IN CONDITIONS COVERAGE FORM  
EXCESS PROPERTY INSURANCE FORM**

**A.** Under any Condition in this Policy, which requires an insured to submit to examination under oath, the insured is entitled to have counsel present during any examination taken under oath.

**B.** The **Concealment, Misrepresentation or Fraud** condition is replaced by the following:

**CONCEALMENT, MISREPRESENTATION OR FRAUD**

We will not pay for any loss or damage in any case involving misrepresentations, omissions, concealment of facts, or incorrect statements:

1. That are fraudulent;
2. That are material either to the acceptance of the risk, or to the hazard assumed by us; or
3. If we, in good faith, would not have:
  - a. Issued the policy or contract;
  - b. Issued a policy or contract in as large an amount, or at the same premium or rate; or
  - c. Provided coverage with respect to the hazard resulting in the loss;

if the true facts had been made known to us as required either by the application for the policy or contract or otherwise.

**C. Legal Action Against Us**

1. The **Legal Action Against Us** condition is replaced by the following:

**LEGAL ACTION AGAINST US**

No one may bring a legal action against us under this Policy unless all of the following apply:

- a. There has been full compliance with all of the terms of this Policy;
- b. The legal action is brought within three years after the date you learned that the claim was denied.

**D.** The **Other Insurance** Commercial Property Condition is replaced by the following:

**OTHER INSURANCE**

a. You may have other insurance. If you do, we will pay our share of the covered loss or damage. Subject to exceptions as set forth in b. below, our share is the proportion that the applicable Limit of Insurance under this Coverage Part bears to the Limits of Insurance of all insurance covering the loss or damage.

b. If there is other insurance as described below, we will pay under this Coverage Part only for the amount of covered loss or damage in excess of the amount due from that other insurance, whether you can collect on it or not:

- (1) The property covered under this insurance is also covered under another policy (or another Coverage Part in this policy), in which it is more specifically described; or
- (2) The other insurance covers your interest or the interest of others in property which you do not own.

**E.** The following is added to this Policy and supercedes any provision to the contrary.

A loss may be caused by a chain of causes. If a Covered Cause of Loss is the dominant cause of such a loss, we will not deny coverage on the basis that a secondary cause in that chain is not a Covered Cause of Loss.

**F.** The following is added to the Loss Payment Condition:

The undisputed portion of a claim will be paid in accordance with the terms of this Condition, even if other parts of the claim remain in dispute.

**G.** If the Total Flood Exclusion endorsement is attached to and made a part of this policy, it is hereby amended to remove the following language from the lead in paragraph:

"Such Loss or damage is excluded regardless of: (a) the cause of the flood; (b) any other cause or event that contributes concurrently or in any sequence to the loss; (c) other causes of the loss; or (d) whether such loss or damage arises from an event that occurs suddenly or gradually, or involves isolated or widespread damage."

- H. If this endorsement is attached to the Difference in Conditions Coverage Form, the following is added with respect to the Additional Coverage of **Debris Removal**, and relates only to the requirement to report expenses to us within 180 days of the specified occurrence:

If you fail to report the expenses to us within the 180-day timeframe, such failure will not invalidate a claim under Debris Removal unless such failure operates to prejudice our rights.

- I. The Limited Coverage for Land Stabilization and Building Foundations, **A.2.c.**, in the Difference in Conditions Coverage Form is replaced by the following:

**c. Limited Coverage for Land Stabilization and Building Foundations**

The amount of \$5,000 is the most we will pay for land stabilization and Building foundations under this Limited Coverage. Regardless of the number of claims, this limit is the most we will pay for the total of all loss or damage arising out of all losses caused by "earthquake" or "flood" which take place during the policy period.

Structural damage to the Building must exceed the deductible in order for this Limited Coverage to apply.

- (1) We will pay your expenses, including engineering costs, to replace, stabilize or restore the land that supports the damaged Building when necessary in order to repair the Building which has suffered structural damage. The structural damage to the Building must be directly caused by an "earthquake" or "flood". This Limited Coverage is only provided if a limit for "earthquake" or "flood" is shown in the Declarations.

The Limited Coverage under this subsection **c.(1)** does not apply to expenses to stabilize or restore the land unless the stabilization or restoration is required in order to repair damage to the damaged Building located directly upon that land that is the result of a loss otherwise covered under the terms of this policy. This Limited Coverage does not apply to costs to stabilize or restore land if the land damage is caused by an excluded cause of loss.

We do not provide any other coverage for land, land damage or landscaping.

- (2) We will pay your expenses to repair or replace Building foundations when required in order to repair the Building which has suffered structural damage. The structural damage to the Building must be directly caused by an "earthquake" or "flood". This Limited Coverage is only provided if a limit for "earthquake" or "flood" is shown in the Declarations.

The Limited Coverage under this subsection **c.(2)** does not apply to expenses to repair or replace Building foundations unless the repair or replacement is required in order to repair damage to the damaged Building located directly upon those foundations, that is the result of a loss otherwise covered under the terms of this policy. This Limited Coverage does not apply to expenses to repair or replace Building foundations if the damage to the Building is caused by an excluded cause of loss.

The expenses for land stabilization and/or Building foundations will be paid only if they are reported to us in writing within 180 days of the date of direct physical loss or damage.

If you fail to report the expenses to us within the 180-day timeframe, such failure will not invalidate a claim under **Land Stabilization and Building Foundations** unless such failure operates to prejudice our rights.

Payments made for coverage under this Limited Coverage for Land Stabilization and Building Foundations are within the Limits of Insurance and will not serve to increase our Limits of Insurance shown in the Declarations.

- C. Application Of Other Exclusions**

Causes of Loss Excluded** of the Difference In Conditions Coverage Form or the nuclear hazard and war and military action exclusions in any primary or underlying policy(ies).
